

Why Adult Sunday School?

Why is that pastor so on fire? Why do these crazy people want to spend their free time volunteering here or on missions? What did that person mean when they quoted Scripture? What do I do about the wild culture we live in?

Adult Sunday School is not just listening to some guy or gal drone on in lecture format. Here at FBC Longview we encourage our teachers to engage, interact and experiment in ways that directly involve all people in the class. Whether you're a new Christian or studied theologian, you will find people asking the questions and discussing the answers you want to know about. Try a class. Try a few different classes. You'll be glad you did! Find out more on **Sunday School Sunday** coming on March 25th.
