February 2018

FROM THE PASTOR

During the month of January, we have been looking at the marks of a disciple. After spending so much time talking about the disciple making process, it was time for us to be able to recognize the marks of a growing disciple in our lives and the lives of others. What a blessing it has been to see God work through His word! We have seen new members, salvations, and numerous other decisions being made as God continues to make clear the simple call to come and follow Jesus and help others do the same. And it really is SIMPLE! Follow Jesus and help others follow Jesus! You have heard me say it like this on Sundays – “BE and BUILD disciples”! Let me encourage you to not let the energy of the new year pass away without real change in your life. It’s already February and people are beginning to rethink those new commitments that they made just a few short weeks ago. Don’t let being and building disciples be one of them! I had the joy of spending all of 2017 in a small group with two other men, and we just finished up a couple of weeks ago. We enjoyed one another, we led each other in the Word, and we grew in Christ together. Now it’s time for all three of us to move on and find a few more guys that we can repeat the process with! I want to help you experience what I have experienced! I want you to experience the simplicity and joy of following Christ together! Let me help! It is what God called me to do – TO EQUIP YOU!

Thank you for being a church that constantly encourages your pastor! 2018 is set up to be another wonderful year at FBC Lakeview as we fulfill our call to CONNECT, COMMIT, and COMMISSION!

Love you friends!

Pastor Patrick
