- **Pray for continued spiritual growth over the summer in the lives of students who professed Christ over this past college year.**
- **Pray for those who graduated to remain faithful in their churches, for the believers who are returning to form a solid core group for next year, and for other returning and the incoming students to be open to the Gospel.**
- **Pray for good relationships with administration and athletic department personnel.**
- **Pray for discernment in reviewing past ministry activities and planning the activities for the up-coming year.**
