LOOKING AHEAD

- Next Sunday, Oct. 30th** / Bonnie Thompson would like to meet with the widows near the piano after the morning service.

The old oil boilers were removed last week. An underground natural gas line was installed from our meter to the new building, and then traversed through the building into the main boiler room. A concrete pad was poured in the main boiler room. The new high efficient gas boilers are to be installed this week.

Please turn off your cell phone off out of respect to the Lord.
