| 10. Yoke Orndorff | 20. George Weddle |

This is the sixth year our church is sending a work team to Pennwood Bible Camp. The team helps to prepare the camp for the summer camp ministry season. Annual preparation includes raising a large tent, installing a portable bridge across the creek, cleaning cabins, cleans rooms in the lodge, and more. There is usually a special project each year. Side benefits include homemade ice cream, water skiing, ATVs, a trip to the Pennsylvania Grand Canyon, and more.
