This is the eighth year our church is sending a work team to Pennwood Bible Camp. Seventeen team members will help to prepare the camp for the summer camp ministry season. Annual preparations include raising a large tent, installing a portable bridge across the creek, cleaning the boys' cabin and rooms in the lodge, and more. There is usually a special project each year. Side benefits include homemade ice cream, water skiing, ATVs, a trip to the Pennsylvania Grand Canyon, and more. Please pray for the safety of our team.
