

THANK YOU

Dear Pastor Hicks and Friends at First Baptist,

I am writing to thank you for the kindness and hospitality you showed us while we were with you for family conference. We enjoyed the fellowship and the opportunity to minister among you again. We pray the decisions made will be lasting and life changing. We trust that the meetings left your church stronger, and the members with a greater desire to serve the Lord!

Thank you also for the love offering you gave us. With the price of fuel and other expenses it was greatly appreciated. May the Lord bless you as you continue to serve Him together.

Yours for souls,
Evangelist Barry Webb
