## FALL PRAISES

--After nearly 3 years of conflict between relatives, we were able to help bring them together and reconciliation was made! God is so patient and kind in His work of conviction and restoration. Tears of joy flowed as confession and forgiveness were given.

--Abby and Nimrod were saved in our ESL outreach in August. We meet in Abby's home weekly for study and follow up.

--Ricardo and family, one of our converts, are faithful members now and he is beginning to serve and lead! He gave testimony recently how God saved his marriage and blessed his children.

--God has provided increased monthly support to bring us close to 100%.

## FALL PRAYER

--Pray for our former assistant pastor to seek and follow counsel as they deal with a wayward adult child and other ministry issues.

--Pray for wisdom for our leaders and for me as we deal with the division this former pastor is causing in our downtown church.

--Pray for the ordination of two deacon candidates, Carlos and Hector.

--Pray for helpers for our new outreach to a nearby community.

**Ogden Missionary Awareness:** Please take a moment to write a note of encouragement in ink on the back of this page (or another) to the Conovers and place it in the basket in the foyer or in the offering plate.
