

# Rick & Becky Enterline

Adult Daughter:  
Sharon Rose

[renterline@gdmmissions.org](mailto:renterline@gdmmissions.org)  
*Grace Dental and Medical Missions*

**New Home Address:**  
6616 Woodland Blvd. N  
Pinellas Park, FL 33781-4926

*Rick expects to be traveling to and from Guiuan, Eastern Samar, ministering as evangelist in the Philippines from May 15~28. They sense that God has something big planned considering the amount of Satanic opposition being encountered. There is much confusion because of false teaching.*

## **Praise the Lord!**

**For His provision of a home closer to Sharon Rose and family. The home is large enough for Becky's mother as well.**

**Sharon Rose's recent improved health; she has been able to care for the children without assistance.**

**Opportunities to witness and minister during daily activities.**

## **Prayer Requests:**

Ask the Lord to give Rick and the translators the ability to clearly communicate the Gospel to folks who have been deceived.

Pray for OPEN HEARTS and UNDERSTANDING on the part of the hearers.

Pray for a buyer for their mobile home in St. Petersburg.

Pray for recent unexpected and unexplained short-fall in monthly support.

***Ogden Missionary Awareness: Please take a moment to write a note of encouragement in ink on the back of this page (or another) to the Enterlines and place it in the basket in the foyer or in the offering plate.***
