## GAINING GROUND with Good Soil

### GAINING GROUND

with Good Soil

Learning to Share God's  
Redemptive Story in a  
World of Competing  
Faiths and Cultures

By Gil Thomas

You have come to know the Gospel message, but how effective are you in sharing it with others? Why do so many people profess faith in Christ but their lives do not bear spiritual fruit? How can you be sure that you are communicating the full Gospel so that an unbeliever can gain a complete understanding? Come join us as we discuss these questions so we can be more effective in personal evangelism through a better understanding of Christ's parable of "Good Soil."

This six-week series will help us to better grasp the Gospel so that we can help unbelievers understand, embrace, and retain the Gospel message for themselves. By exploring the book Gaining Ground with Good Soil and supplementary materials, we will explore such questions as:

- *What is "Good Soil"?*
- *Where Do the Seeds Fall?*
- *How Should We Sow?*
- *What Do Unbelievers Hear?*
- *How Can We Know What They Believe?*
- *What Do Unbelievers Need to Know?*
- *How Can New Believers Retain the Gospel?*

**Don't miss this opportunity to gain a better practical understanding of your role in evangelizing the lost unto salvation through our Lord Christ Jesus.**
