Pray for encouragement in the ministry after hearing of a special contact from the Addictions Rehab Center who relapsed and passed away without having received Christ. Pray for strengthened purpose and endurance in these times of disappointment and introspection.

Pray for their time this month at Baptist Mid-Missions' European Enrichment Conference—a time to reflect and be refreshed as they are ministered to in the Word.

Pray for new students at the Bible Institute, new attendees at Sunday Bible Studies, new one-on-one discovery and discipleship studies, as well as continued growth and faithfulness in the ongoing relationships.

Pray for their family life and spiritual growth and understanding for the children. Pray for parenting wisdom for Jonathan and Lorena.

*Ogden Missionary Awareness: Please take a moment to write a note of encouragement in ink on the back of this page (or another) to the Templetons and place it in the basket in the foyer or in the offering plate. Thank you.*
