

Dear Ladies of Ogden,

Thank you so much for the box of goodies and encouragement! The food binge was unfortunate yet so glorious! The one thing I enjoyed the most though was the verse you put on the back of the card. Jude 1:2 is such a kind verse and is a great reminder for me to drop bitter feelings towards others and pray for hope, and love them the way Christ loves us. The love and kindness you have shared left me feeling overjoyed, thank you so much! Looking forward to seeing you all soon!

With much love,
Alaina Cyrus

Dear Ladies of FBCO,

Thank you for the very thoughtful care package that you sent me for Valentines Day! There is certainly nothing that makes you feel more loved by your church fam than a 4 lb package of snacks and treats! Thank you for all that you do to make the people of Ogden feel welcomed and appreciated. It is truly a testament of Christ-like servanthood.

Love,
Amy Gagne

Dear Ladies of Ogden,

I cannot thank you enough for the amazing Valentine's care package. I thought my mom was exaggerating when she said the packages were five pounds until I saw the size of the bag! I think I will be set for the rest of the year! I wish I could express how much your love & encouragement (and delicious baked goods) means to me. I am so thankful to be a part of a church family with such caring women! I miss you all & look forward to seeing you on my next visit home. Thank you again!

Love,
Taylor Zebley
