An illustrated parable that brings the gospel to life.

**“Go down to the potter’s house and there I will give you my message.” Jeremiah 18:1-2**

Nowhere is there a more vivid example of the relationship between God and His people than is seen in the relationship between the potter and their clay.

*A Journey to the Potter's House* is a powerful illustrated sermon that brings you face to face with God in a way that will forever change the way you understand His working in your life.

The message of the potter is a message of hope, love and redemption that captures the hearts of young and old alike. So travel like Jeremiah did through this illustrated parable, on your own -
