

This time two weeks from now, three-fifths of our revival meetings will have been completed. It is my prayer that by that time each and every one of us will have truly experienced revival in our hearts and many unbelievers will have embraced Jesus as their Forgiver and Leader. But, what is revival anyway? According to Webster's Dictionary it is defined as "a bringing or coming back into use, attention, or being, after a decline. It is a restoration to vigor or activity; a returning to life or consciousness; a stirring up of religious faith by fervid evangelistic preaching in public meetings." When you consider the word revival, it implies that we have already experienced "vival" or new life. You cannot be "revived", unless first of all you have been "vived". In the truest sense of the word, "revival" is for those of us who have already embraced Jesus as Savior and Lord and it is a renewed commitment and fervor that will then result in our sharing our faith with others hopefully leading to them embracing Jesus as their Savior and Lord as well.

I hope you have already blocked off on your calendar the dates of February 13- 16, and you are planning on attending as many of the five revival meetings as possible. I know that all of our calendars are packed, but I also know that God has something very special He wants to do in each of our hearts through these revival meetings. Therefore, make the adjustments to your calendar that will free you up to be in attendance to receive the blessing God has reserved just for "you". It is indeed a joy to be your servant. - Bro. LETTERS TO GOD by Doughtie. This is a children's story carrying the same message as the book and movie LETTERS TO GOD. If you haven't seen the movie it is very touching. (CE Dou)

LET'S MAKE A JOYFUL NOISE by Karma Wilson is a colorful, enjoyable book that will hold the interest of children helping them discover the joy of Praising God. (CE Wil) We have other books by Karma Wilson that are equally good.

THE BOY WHO CHANGED THE WORLD by Andy Andrews, author of THE NOTICER, THE TRAVELER'S GIFT, THE HEART MENDER, and BUTTERFLY EFFECT, other wonderful books we have in the library by him. This would be better understood by 3rd and 4th graders and up through adults. Based on THE BUTTERFLY EFFECT, it teaches how their actions can set off a spark that, in turn, influences the lives of others. (CE And)

WHAT WILL HEAVEN BE LIKE, A story of Hope and Comfort for Kids by Ruckman, will inspire conversation about heaven, our eternal home, with its time with Grandpa on the farm. (CE Ruc)
