My family and I would like to thank everyone for keeping us in your prayers during my surgery and my father's surgery.

With Love,

Dear Church Family,

Your prayers, visits, and phone calls were greatly appreciated. I'm back home with my foot in the air trying to follow doctor's orders to get my ankle healed so I can start walking again.

Keep praying that my healing process will be fast and thanks so much for praying for me and family. Love to All!
