A Message from a Pastor

Good churches grow larger by striving to stay smaller. If the book of Acts did not describe churches as being thousands strong I would push for churches of a hundred or less because of the profound discipleship that takes place in smaller numbers.

Throughout the New Testament we see examples of believers being strengthened through discipleship in small groups or individually. And it is in the context of close-knit relationships that faith is fostered and developed. For instance, John tells us that people will know you are a Christian because of the way you love the people at your church (John 13:34). The way we avoid becoming indifferent and calloused towards God, is by your church family speaking truth into your life (Heb 3:12-13). The way we fulfill the calling Christ has placed upon the lives of believers is through helping our neighbors learn to stand when they have fallen (Galatians 6:2). We sin more often than we want to admit to ourselves and especially more often than we want to admit to those around us, but the Bible tells us to be close enough to our others believers in the church ignites a restoration process within you (James 5:16).

As a church we want to foster close-knit relationships among believers. For us Sunday School is the place where such relationships can begin. Sunday School Classes do not by any means guarantee close relationships, but they are a way of setting the table for such relationships to be established. And there is a beauty to Sunday School that is rarely found else where in life, namely, our camaraderie exists because of our relationship with Christ. Else where in life our relationships are first and foremost defined by family ties, namely, our camaraderie exists because of our relationship with Christ. Elsewhere.

Dear Church Family,
I would like to thank all my church family for all the visits, phone calls, and cards while I was in the hospital. We are so blessed for a caring church.
Ken and Bobbie Newhouse
