Family Life Fitness Center Swim Lesson Guidelines:

1. One-piece bathing suits are required for all girls. Stomachs must be covered.
2. Belts and noodles are provided for swimmers who need support with flotation. Blow-up flotation devices are not permitted. The FLFC only uses Coast Guard Approved devices in our pool.
3. If there is a storm or if the pool is closed due to unforeseen circumstances i.e. mechanical problems, pathogen contamination, building closing, weather etc., you will

receive a swim lesson voucher for the class missed.

4. The FLFC follows WSFC schools for closings and dismissals. If the schools are closed, there will be no swim lessons, if they are dismissed early, there will be no lessons. For school delays, we will conduct all evening classes.
5. If your child misses class (due to sickness, vacation, or any other reason), there will be no "make-up" class available. We strive to keep the classes small, a lower teacher/student ratio. This ensures that each student is given the attention he/she needs. Please try to make each and every class.

If you have any questions regarding swim lessons, please call Katie Keyes, Aquatics Supervisor at 996-7388 ext. 143.

Greetings Swim Parents!

Welcome to the Family Life Fitness Center (FLFC) swimming program. We are delighted to be working with your child this session. Each of our instructors has been training, learning, and is looking forward to teaching your child to swim! Thank you for allowing us to serve you and your family!

Each swimmer must remain out of the water until their instructor has started the class. Children may remain seated under where their level sign is posted on the wall. If you need to speak with your child's instructor, please do so at the end of class. Any questions or concerns about your child's progress can be answered at this time as well.

We make every attempt to place your child in the appropriate class. Sometimes, we will need to move your child to another class to help them achieve to the best of their ability. If the instructor feels your child should be moved, the instructor will let you know after the **FIRST** class.

If you plan to watch your child during the lesson, please take a seat on the benches at the **DEEP END OF THE POOL**. No one is allowed at the shallow end during lessons. Please do not talk to your child during their lesson. If your child is distracted by you being visible, you may be asked to leave the pool area so the lesson will benefit your child. Doors to the pool area must remain closed. Everyone must come in the front door of the building and **sign in** at the front desk.

The FLFC facilities are available for you to use if you prefer not to be in the pool area during lessons. For more information about the FLFC contact Dan Hipply at 996-7388 ext110 or you can email him at danh@fccministries.com. You are required to have a facilities number and must sign in at the front desk to be in the fitness areas of the building. In case of emergency, you have to remain somewhere in the building during swim lessons. Because our staff is teaching or lifeguarding, they are **NOT** responsible to take your child to the bathroom. Please make sure someone is available to take them to the bathroom.

At the end of a session your child will receive a certificate listing the skills that have been completed. Swim Medals will be given when a child completes every skill for the level. Your child's progress will depend on you supporting our instructors and keeping a positive attitude about swimming. Consistency is the key! Please come to open swim and practice. It is available to you as a student in swim lessons. Have fun with what you have learned! We also request that you fill out an evaluation form for each class at the end of your session. This ensures that all students' needs are being met and how we can improve, as a community facility and as swim instructors.

Any concerns regarding your child's progress, instruction, or any questions should be directed to Katie Keyes at 996-7388 extension 143 or email at Katie.Keyes@fccministries.com

Blessings to you and your family

Katie Keyes and the Aquatics Staff
