

<http://ucc.org/>

This is the official website for the United Church of Christ. Visit here to explore what the denomination is all about.

<http://www.biblegateway.com/>

The Bible Gateway is a tool for reading and researching scripture online all in the language or translation of your choice! It provides advanced searching capabilities, which allow readers to find and compare particular passages in scripture based on keywords, phrases, or scripture.

<http://www.ucc.org/feed-your-spirit/daily-devotional/>

Visit here to subscribe to an online daily devotional.

<http://dailylectionary.org/>

Visit here to subscribe to have daily scripture readings sent to you. In two years you will have read the entire Bible!

<http://wwwFOUNDATIONS21.org.uk/>

A resource for discipleship and lifelong Christian learning. It explores twelve key building blocks of the Christian faith with a flexible blend of web-based study, group interaction and personal application. There are four Pathways through the material, named after the four Gospels, which adopt different styles of learning for different personalities. Follow the pathway that suits the way you like to learn, or try one of the others and gain a different perspective

<http://www.patheos.com/>

The Online site to engage in the global dialogue about religion and spirituality and to explore and experience the world's beliefs. Read credible and balanced information. A great resource for those looking to learn more about different belief systems.
