

LETTER #4

January 17, 2018

Dear Parents / Guardians,

Last Saturday went especially well as we read and sung through the whole script. Everyone did a great job in understanding, who the character is, that they are playing. The 3 hour rehearsal flew by with many special moments of seeing how everyone was being very supportive of each other.

Below you will find the information for the **Partial Cast Rehearsal** this Saturday Jan 20. Students who have lines must have their lines memorized for all of Act I, which is Scenes 1 – 6, pages 1-52. We will be considerate with those who have 30 lines or more, however those who have less than 30 the expectation, is for you to have all your lines well memorized. Remember to bring your folder and a pencil!
