

LETTER #5

January 24, 2018

Dear Parents / Guardians,

We are now in our final month, so it's important to begin memorizing the whole cast songs. For today the homework was to have the song Belle memorized and for next Sunday Jan 28 the song Gaston memorized.

Below you will find the information for the **Partial Cast Rehearsal** this Saturday Jan 27. Students who have lines must have their lines memorized for all of Act 2, which is Scenes 7 – 13, pages 53 - 114. We will be considerate with those who have 30 lines or more, however those who have less than 30 the expectation, is for you to have all your lines well memorized. Remember to bring your folder and a pencil!
