1 Form adapted from *Sticky Church* by Larry Osborne.
How have the group discussions gone? Is everyone who wants to share able to share? Are there any people or issues that quell the discussion?

Do you have suggestions for improving the meetings?

**MY PLANS**

For the next small group session, I’m planning to:

- [ ] Remain in the same group
- [ ] Try a new group
- [ ] Take a break from small groups

**HOMEWORK**

What do you like most about the homework?

What do you like least?
If you could change just one thing about the homework, what would it be and why?

The amount of homework is:

☐ Just about right
☐ A little too much
☐ Not quite enough. (Please explain)

MY LEADER

One of the things I appreciate most about my small group leader is:

If you leader asked for advice on whether he/she should talk more, less or exactly the same during your meetings, what would you say?

Is there anything your leader could do to make your meetings even better?
YOUR HOST (may be the same as your leader)

One of the things I appreciate most about our host is:

Is there anything your host could do to make your meetings better? (seating arrangements, lighting, temperature, refreshments, socials, etc.)
