How to Log-in

1. Go to www.firstfederated.org
2. Under ABOUT US, click “fedbook”
3. Click where it says, “Please click HERE”. This will take you to the Fedbook log-in screen.
4. Next to “Need a login?”, click on “Click Here”
5. In the Account Sign-up box, enter your email address, first name and last name and click, FIND ME.
6. You should receive an email with login instructions and a temporary password. When setting up your new password, please be sure to use at least one upper-case letter, lower-case letter, and number.

*If, when trying to log-in, you receive the following message: “We were unable to locate a record matching the information you provided. Please verify that the information you entered is correct and resubmit”, this means that you are using a different email address than what we already have on file for you. You will need to give us your correct email address, and once we update that in our system from this end, then you will be able to log-in. To submit your new email address, send an email to Julie Denger at jdenger@firstfederated.org

Once You are Logged-In:

- Build your own profile, and make sure all the information we have for you is up to date
- Try communicating with your Life Group members using the “groups” function
- Try online giving!
- Try searching for someone in our church, and while you are at it, send them an email encouraging them to also sign-up for “Fedbook”!
- Sign-up for a new class (and for those that have a fee, you can pay that fee online too!)
