### Call to Worship

L: We begin our worship in the name of the Creator, Son, and Holy Spirit.

All: Amen!

L: In the still of this hour we come to find rest for our hearts and contentment for our weary minds.

All: We are caught up in the activity of our life and need to pause and be refreshed.

L: In the quiet of this place we come to be touched by the forgiving grace of God.

All: We are surrounded by the loving people of God, bound together by a unity only the Holy Spirit can give.

Song **"Our Father, We Have Wandered"** #606

### We Confess Our Need for New Life

All: God of life, we confess our need for new life. We trade abundant living for a cheap imitation. We take every shortcut possible on our way to where we are going. We step on others in the process and trip over ourselves trying to find happiness in life. God, we need a resurrection. We need to be pulled from this life into a new existence where love powers our actions and peace lives in our heart.

### We Hear the Words of New Life

L: Our God knows our every need and gives new life to those who believe. The resurrection of Jesus Christ is our new beginning as the old things of our lives die and we are made new. Death no longer rules us and we look forward to eternal life with our Creator God. Our sin has been forgiven in the action of Jesus as he died on the cross and rose from the grave. We will live forever in him. Let all the people say Alleluia!

All: Alleluia!
