Spring Fair

Please join us on the morning of May 16th between the times of 9:00-9:45 to attend our Spring Fair. This is a time for students to show off all their hard work from our school year. (this is similar to Open House in the fall, just at the beginning of school)

After 9:45, students will remain at school. Refreshments will be served.

Beach Day

Even though my students graduate on the 23rd, we still have class Thursday, the 24th for a fun beach day! Students are able to wear bathing suits and bring towels for some wet, water fun! It's a great way to end the year!
