

Classroom Times

Teacher: Mrs. Hamilton

Date: September 2019

September Calendar

On our monthly calendar you will find weekly themes and a letter of the week. The themes usually follow the Storytown curriculum or a holiday theme. You will also notice the letter of the week does not follow alphabetical order. We discuss the letters according to the frequency they are used in language. We incorporate our stories, centers and sometimes snack to our themes. I know the students will enjoy it all!

Scholastic Book Orders

Every month you will be given the opportunity to purchase books through Scholastic Book Club. You may order online or complete a paper order form & payment that I will send to Scholastic. Our classroom code for the website is HHW69

The website is clubs.scholastic.com

Show & Tell

The days for show & tell are split between boys & girls. The dates will be posted on our class calendar. I do not have show & tell every month.

Please guide your child into bringing an appropriate item to talk about. At times we may ask for your child to bring a specific item (favorite present, a sign of spring, etc.).

Finally...

I want to thank all the families for choosing our preschool. I am excited to share the year with your child and all the learning we will do together!
