Pre-K News

Murrysville Presbyterian Preschool

Carnegie Science Center is coming!

On April 25th the Science Center will come to MPP so we can enjoy two programs in our classroom! These will be hands on activities that are designed specifically for the Pre-K age.

Themes:

- Spring (cont.)
- Insects
- Alphabet review
- Number Review

Conferences

Sign up for Parent/Teacher conferences on the papers on our table by the door. I look forward to speaking with you about your children!

April 10th and 11th between 9-11:30

Looking Ahead:

We will have a field trip to Round Hill Farm on May 9th. The students will travel by school bus. Parents may accompany their child, but we do not have room for siblings on the bus. Please let me know if you will be riding the bus with your child. Parents with siblings may meet us at the farm!

Spring Fair - May 16th

Our Spring Fair is an opportunity for you to stop by our classroom and see what your children have been working on and how they have grown! It will be an informal morning in which you are welcome to visit between 9:00 and 9:45. Kids will stay until 11:30 (1:30 for full day)

Any questions or concerns:
