

# February

Murrysville Presbyterian Preschool  
Three Year Old - Two Day Program

We will have lots of fun learning new things this month! Your children are curious and great fun to teach! They have been working on tracing their names! We will continue with scissor and pencil skills as well as coloring in the lines. As we learn the new letters this month, we will be reviewing the old ones at center time. We will continue to work on our fine motor skills and have fun playing together! With the cold and rainy weather, we have been playing games and staying active indoors. If it is above 32 degrees and not raining, we will try to go out!

Things we will learn this month:

Letters: F, V, H and L

Color: Pink

Number: 6

Shape: Heart

Themes: Valentine's and Dental Health

Wear PINK on Friday, February 9th.

Our Spring Fundraiser, Popcornopolis starts this month! Look for details coming home soon!

## Valentine's Party

We will celebrate Valentine's Day on Friday, February 9th. It will be a regular day from 9-11:30. Below is a list of friends in our classroom; we will pass out valentines during the party! There will be a sign up on our bulletin board for special things to bring for the party. Thanks for your help in making these special days more fun!

Practicing the following things at home will help to reinforce the hard work we do at school!

- Cutting (fringe, along a line)
- Tracing (lines, letters)
- Naming shapes and colors
- Coloring
- Spelling their name
