Murrysville Presbyterian Preschool
Mrs. Krogh

January was a lot of fun with your children. They are smart, kind and continually surprising us with their wit! Mrs. Lagnese and I are thankful for all that you do as parents to teach them to be that way!

Valentine's Party

Our Valentine's Day party will be a regular school day from 9-11:30(1:30 for full day) on Wednesday, February 14th. We will pass out Valentines during our party - a class list is attached. There will be a sign up for party items on the bulletin board - thanks in advance! Please remember we have a "no treat bag policy" and will already have Valentines to pass out!

Continue to encourage your child to take off their coats and backpacks independently. Allow them to hang up their coats, zip, unzip and unpack their belongings each day. Many children are already doing this independantly! 😊

Any questions or concerns, please let me know!
