

MPP Twos
February 2018 News

Dear Parents,

February is here and it promises to be a very busy and fun month. We have many topics to investigate these next few weeks. We will be concentrating on hearts, the color pink, the number 2, and talking about the people we love. Later this month we will be learning nursery rhymes.

Our main event in February is our **Valentine Party**, which will be on **Tuesday, February 13**. It will be held during our regular class time. Please send in a Valentine to each student in the class for your child to pass out. I will attach a class name list. We have 10 children – 5 girls and 5 boys.

MPP will be sponsoring a preschool fundraiser this month: Popcornopolis. The popcorn is delicious, and the money raised helps us to purchase supplies for the school. We will greatly appreciate any orders!

Book orders may be placed on-line using our class code HKRX9, or you may use the attached order forms. **Orders are due in by Friday, February 16.**

There will be **no school** on Monday, **February 19**, due to Presidents' Day.

During the second half of the month, we will do a unit on nursery rhyme stories and songs. This is one of our favorite topics of the year. We are always amazed at how much the children enjoy these, and at how quickly they learn them. **Tuesday, February 27, will be Nursery Rhyme Item Day.** Please send in **one item that reminds you of any nursery rhyme**, for example a lamb/sheep, pig, horn, candle, pail, or cow. Be creative and we will have fun matching rhymes to our objects.

Thank you for all your support. Have a Wonderful Valentine's Day!

Sincerely,

Margaret
&
Nannette
