

MPP TWOS
MAY 2018 NEWS

Dear Parents,

It is amazing to me that we are beginning our final month of the school year. It has been such a wonderful year and has gone by way too quickly. We want to thank you for sharing your children with us. We have loved watching each child grow in so many ways. We also greatly appreciate all of your support through the year and your help with party items and treats.

This month we will be discussing how the April showers bring lovely May flowers. We will do some planting to learn about flowers and how they grow. We then move onto caterpillars changing into beautiful butterflies, and finish with sharing some ideas about summertime fun.

Book orders are due by **Wednesday, May 9th**.

Beach Day is Tuesday, May 15! Please send in one item that would be used at the beach, for example, a beach towel, beach hat, sunglasses, or whatever good ideas you may think of.

Our final event of the year is our **Family Picnic**, which will be held on **Tuesday, May 22** on our playground, from **11:00 to 1:00**. There will be no regular class this day. All family members are welcome. We ask that you bring the main part of your own lunch (e.g., a sandwich) for each person in your family attending, plus their drink. We will have sign-ups for you to choose to bring one of the following to share with everyone: a salad/side dish, a fruit plate/fruit salad, or a dessert. Please bring enough of your chosen item to feed a group. Plates, silverware, napkins, and munchies will be provided by the preschool. Remember to bring your picnic blanket and/or chairs. We will have special activities planned, so I hope to see you all there.

Again, we want to thank you for such a wonderful year. We have so enjoyed getting to know all of you. Have a super summer!

Sincerely,

Margaret & Nannette
