Young worshippers at 1105 learn how to respond to God's call by making notes on Post-Its. The 1105 contemporary worship service brings families together instead of separating children above kindergarten age from their families. This unique activity gives them a way to participate more fully.

SERVE

YOUR REFURBISHING DOLLARS AT WORK

Work is well-underway for the church playground. Both First Pres and the Opportunity School are working on this project to make the playground a safer, more enjoyable place for our children.

Deacon Paul Frederickson and Shawn Harris, grandfather of an

Opportunity School student, help clear the old playground surfacing to make way for the new! After the surface was removed, the volunteers enjoyed breakfast burritos made by volunteers of our bilingual service, Comunidad el Camino/, The Road Fellowship.

Many hands helped in removing the old surface and debris from the playground. Even a frog held by Katie Goodrich got in on the action.

POTENTIAL NOMINEES SOUGHT FOR CHURCH OFFICE - DEADLINE IS MONDAY AT NOON

The Congregational Nominating Committee is requesting your assistance to identify potential nominees for the offices of elder, deacon, and CNC member-at-large. If you desire to recommend potential nominees for these offices, email your suggestions to CNC@firstpres.com or submit them in writing to Charlotte Kinch in the church office. Qualifications and duties for the offices may be found on the website as well at <http://www.firstpres.com/#/serve>. The CNC will nominate a slate of names for the different offices at a congregational meeting in late September. The deadline for making suggestions is Monday, July 2 at noon.

NO COLLECTABLES FOR THE MONTH OF JULY

We will resume collecting items in August to donate to those needing assistance in our community.
