

HOW TO BE A BABY HUGGER IN THE NURSERY @ FIRST PRES

<p>*1.</p>	<p>Choose your favorite smock from our rainbow assortment of colors. (Wearing your smock will make you official!) <i>When finished, be sure to put your smock in the laundry basket.</i></p>	
<p>2.</p>	<p>Please wash your hands often. You may use gel hand sanitizer and/or soap & water in the restroom.</p>	
<p>3.</p>	<p>Unconditionally love on the babies. Talk with them, read to them, play on the floor with them, sing along with them, hold and rock them.</p>	
<p>4.</p>	<p>Please wear gloves... if you need to wipe a runny nose. Follow-up with hand-washing.</p>	
<p>5.</p>	<p>NO NEED TO CHANGE DIAPERS! Our staff is trained in following strict hygienic procedures. They'll do the dirty work! 😊</p>	
<p>6.</p>	<p>Remember – Only staff is responsible for receiving children from and releasing children to their families. Baby-Huggers are designed for the fun stuff! Let the staff do the other stuff.</p>	
<p>7.</p>	<p>MOST IMPORTANT - Enjoy YOUR special time with the babies! We are so glad you're here spreading Christ's love to our youngest First Pres family members! (Note: Grandparents-in- training can practice those grand-parenting skills here any time.</p>	
<p>*</p>	<p>Please note: it is VERY important to toss your smock into the laundry basket after each use. Ask a staff member if you aren't sure where the laundry basket is located.</p>	

Please make scheduling changes needed by trading with another baby hugger. If you do make changes, please let Debbie Laur know them. Thanks!

First Pres Kids Ministry Vision

- To create a safe, nurturing environment so we may present the Bible in ways children can understand, equipping them to make wise choices and develop their own relationships with Jesus Christ.
- To equip parents to disciple their children as spiritual leaders of their families.
