2018 SUMMER SERMON SERIES:

Written to Teach Us, That We Might Have Hope

"For everything that was written in the past was written to teach us, so that through the endurance taught in the Scriptures and the encouragement they provide we might have hope." Romans 15:4

In Romans 15 Paul implores the church to live in unity. Follow Christ's example he says and selflessly edify others. Jesus learned how to live like this by immersing himself in the Old Testament. It was written for this very purpose, to teach us how to live. We learn the obedient humility of Jesus the same way He did, through the endurance and encouragement taught in the Hebrew scriptures. All that was written beforehand was written that we might have hope. So join us this summer as the Hebrew Scriptures teach us how to live as Jesus did, selflessly, obediently and with an unshakeable hope in the goodness and greatness of God.

Baptisms At The Delaware River- July 28th

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." (Matthew 28:19-20, NIV)

We invite you to worship with us at our bilingual Baptismal Service in the Delaware River on Saturday, July 28th! Pastor Tim and Pastor Silvio will be celebrating four first time baptisms as well as several renewals of baptismal vows. Meet us at church at 9:00am to travel to the Smithfield Beach National Recreation Area, River Rd, East Stroudsburg, PA 18302. The service will begin at 11am. Come enjoy this special time together as we witness those baptized in the river and rejoice together with a picnic afterwards!

The Facilities Committee has compiled a list of repairs and painting projects that are urgent to prevent further damage to the building. The jobs are small & simple, but the list is long & overwhelming.

We need help from all covenant partners in order to save our precious monies to use for missions. We need help to preserve our special house, which is a gift from the Lord.

We also are looking for new volunteers from the afternoon service to be permanent members of the Facilities Committee.
