Special Announcements!

**Summer Soul-stice:**
"Summer Soul-stice" is a new women’s group that meets every other Tuesday throughout the summer from 9:30-10:45 am. Use the summer months as a time of building community among women, providing enjoyable and thoughtful intellectual stimulation.

**Coming up:**

**July 3:** Snap, Crackle, POP! Get ready for some “fireworks” by meeting with the new editor and publisher of the Salina Journal, Olaf Frandsen. Hear what he’s thinking, discuss some of the current “hot” topics, and find out what he thinks makes for front page news in Salina, KS.

**July 17:** "I haven’t spoken to my mother-in-law for eighteen months. I don’t like to interrupt her.” The conflict between mothers-in-law and daughters-in-law has existed throughout history. In the Old Testament, Rebekah complained that her daughters-in-law were making her so miserable, she’d rather be dead. Now, thousands of years later, we’re still trying to find our way through the in-law minefield of emotions. Sometimes tender, often maddening, the relationship between mothers- and daughters-in-law is a complex one. Sydney Soderberg and Julia Crawford will lead a discussion on a number of contentious issues: power struggles, gift giving, grand parenting, holidays, and more. Bring your own stories and suggestions for what has worked for you because this topic is NO laughing matter!

**July 31:** Come listen to an episode of This American Life with Ira Glass — Girls in Need of a Safer Time. It’s about teenage girls who fall into the stereotype (or is it?!?) of being superficial and giggly rather than smart and confident. Facilitating the discussion that follows is Nikki Chamberlain, teacher of chemistry and AP Chemistry at South High who started the Lab Chicks Club seven years ago. She’s also the Mother of a daughter, with another daughter on the way in August. Led by Martha Rhea.

Also meeting August 7th!

**Youth Group News:**
Summer youth group is underway! Mid High Youth (those entering 6th grade this fall - 8th grade) meet on Sunday nights from 5:00-6:30 pm, Senior High Youth (those entering 9th grade this fall - 12th grade) will meet Sundays at 7:00-8:30 pm. Stop by the church office for a registration form.

**Side by Side with Oakdale:**
For years FPC has been committed to education in our community. Coming this fall, the Social Justice and Mission Committee would like to invite you to join a new church-wide effort to partner with Oakdale Elementary School. Through reading with students, supporting teachers, and administrators, we hope to demonstrate God’s love and justice for our community in this exciting way.

This long-term relationship will seek to support Oakdale Elementary School in a variety of ways that will give everyone at FPC an outlet to join in this effort. This Fall we are looking for a team of volunteers to read with 1st and 2nd grade students for 1 hour during the school day, just once a week. No need to commit right this second, but if this opportunity interests you, please contact Austin today!

**FPC Looking for New Director of Children’s Christian Education:**
First Presbyterian Church is currently seeking an individual to lead our Children’s Education Ministry. For job description and application materials, contact the church office at 825-0226 or office@fpcsalina.org.
