A Ministry of First United Church of Gridley

Isaiah 40:11

## October Newsletter

### Mission Project - Lifesong Liberia

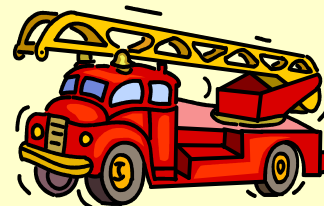

Thank you for encouraging your child to bring an offering to support the children of Liberia through Lifesong for Orphans. We have filled the jar for September, collecting for the orphans who live at the Master's Home of Champions. We also lift these precious children before our Heavenly Father in prayer each class day.

In addition to our offering, we will be collecting Christian themed activity/coloring books for the month of October. These will be sent with Lifesong-Liberia liaisons, Keith and Kay Knapp, who will be travelling to Liberia to visit the children in early November. If you would like to send a Christian themed coloring book, please send it to school with your child to place in our collection basket. For more information on Lifesong for Orphans, visit [www.lifesongfororphans.org](http://www.lifesongfororphans.org). Thanks!

### Fire Safety Week

Fire safety/prevention week is October 8th - 12th. Students in the 4 year old class will be going on their first field trip to visit the Gridley Fire Station on Wednesday, October 10th. This should be a fun and informative venture. Parents will need to provide transportation to the Gridley Fire Department that morning and then back to school once we are done. Parents are welcome to stay for the field trip.

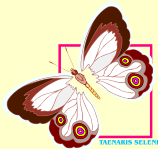

### Tuition Payment

If you are paying monthly tuition, this is due the first class day of the month. Please make checks payable to **First United Church - Little Lambs**.

## Amazing Metamorphosis

The children are getting to witness the amazing metamorphosis of a caterpillar in our classroom! Our caterpillars have already formed their chrysalis' and have been moved to a butterfly habitat! Hopefully, some painted lady butterflies will be fluttering around our habitat very soon! Be sure and ask your child about this.

## Fall Harvest Celebration

Our class will have a special harvest party celebration on Tuesday, October 30th for 3's and Wednesday October 31st for 4's. Children may come to school dressed in their favorite non-scary costume and we will enjoy some special games and treats. I will post a sign-up sheet on the parent board for anyone who would like to send something for our party.

In the month of October, we will be learning about fire safety, the season of fall, the colors green, yellow, orange, and black, the letters C, D, P, and F, and more!

## October Events
