
DISCIPLESHIP CURRICULUM

CATALOG & DESCRIPTIONS

September 27, 2009

Dear Group Leaders,

Thank you for the way that you serve God, the participants in your classes and our entire church by leading your respective groups. You play an invaluable role in helping our church in the work of making disciples of Christ.

I hope that you will find this Curriculum Catalog helpful for facilitating your groups and making your experiences together the most enjoyable and beneficial that they can be. Here is how I hope that you will use this resource:

- Browse the list of suggested curricula for one that you would like to use in your group. Notify me of your choice, and we will promote your class to the church based upon the content of your study. Approximately 3-4 times per year we will have a selected week when I will encourage all groups to start new studies at the same time.
- If you want to study something not included in this list, I ask that you send me information on the material you would like to use (a web link, or extra print copy, etc.). After looking at it, I will decide whether or not it is something that we would like to include in this catalog.
- If for some reason, your chosen curriculum is not something that we can include in the catalog, you are still free to use it. However, the church will not purchase it for you nor advertise it to the congregation.

It is my hope that this system will be very helpful to you in selecting quality materials and being aware of special dates when newcomers will be likely to come to your class. I also believe that it will make it much easier for people who are looking to connect with one of our groups to do so.

If you have any questions, or if I can be of any assistance, please do not hesitate to contact me.

Because of Jesus,
Daniel Harris
Pastor of Discipleship

Money has great power in our lives and when used wisely, helps us meet our goals, provide for our needs and fulfill our life purpose. 24. *Simply Christian* (N.T. Wright)

Have you ever wondered why humans in all places and times have yearned for beauty, truth, spirituality and justice? Connecting to this God through worship, prayer, scripture and the church leads to life that is full and abundant. Not since C. S. Lewis's classic summary of the faith, *Mere Christianity*, has such a wise and thorough scholar taken the time to explain to anyone who wants to know what Christianity really is and how it is practiced.
