

Journey Preschool

ENROLLING NOW!

Journey Preschool has been a Ministry of the First United Methodist Church in Harlingen for over 20 years. As a preschool we strive to maintain a child-centered program, in which children of all backgrounds, races, and abilities may develop physically, mentally, emotionally, socially, and spiritually, in a loving Christian atmosphere. We encourage learning through play while a child's feeling of self-worth and regard for others is placed above achievement. Each classroom follows the ABEKA Christian Curriculum using an active participatory approach to learning that allows the children to learn through actions and experiences. Classes are offered for children ages 18 months to 4 years of age. JPS prides itself on being able to provide small classroom sizes in a cozy and secure school setting.
