From the Pastor's Desk

Love you Forever" is a picture book written by Robert Munsch. It tells the story of a relationship between a son and his mother from his infancy through adulthood. It begins with his creative behavior throughout his childhood and how this relationship changes when he reaches adulthood. In spite of his creative behavior, each night the mother visits his bedroom, picks him up and rocks him, repeating a lullaby about loving him always. When the son grows up and moves out, she continues to periodically drive to his home, sneaks in his bedroom and sing this lullaby that is about unconditional love.

Later, his mother grows elderly and can no longer travel to his home and bedroom. So, the son returns to his mother's house, picks her up and begins rocking her as he sings the lullaby. The book ends with him returning to his home where he picks up his infant daughter and begins rocking her and singing his mother's lullaby.

God so loved you that He gave his only Son, that whoever believes in Him will not perish but have eternal life. Here is what God says to you:

"I'll love you forever
I'll like you for always
As long as I'm living
My child you'll be."

God loves you, *Pastor Dennis*

Help Us with the Big Game Clean Up

We are collecting shampoo, soap, toilet paper, and dish soap for Churches in Mission during the Big Game Sunday - please bring in one of these items or put 'Churches in Mission' on a check or a collection envelope and we will shop for you. CIM doesn't purchase these items, and we'd like to restock the pantry for the clients.

Thanks for your help! *The Mission Committee*

Eat an Anti-inflammatory Diet

Inflammation in the body is known to contribute to chronic disease, such as diabetes, heart disease, asthma, arthritis, obesity, cancer and dementia to name a few! Eating an anti-inflammatory diet may help lessen this inflammation. Eat 8 ounces of fatty fish per week to get your needed omega 3 fat intake. Choose healthy fats such as extra virgin olive oil or palm oil for high temperature cooking. Increase your fruit and vegetable intake. Choose whole grain carbohydrates and limit the portions. Get most of your protein from plant sources such as beans, nuts and seeds. Spices such as garlic, turmeric, rosemary, ginger, oregano, cumin and cayenne all decrease inflammation. Savor your food- slow down and enjoy!

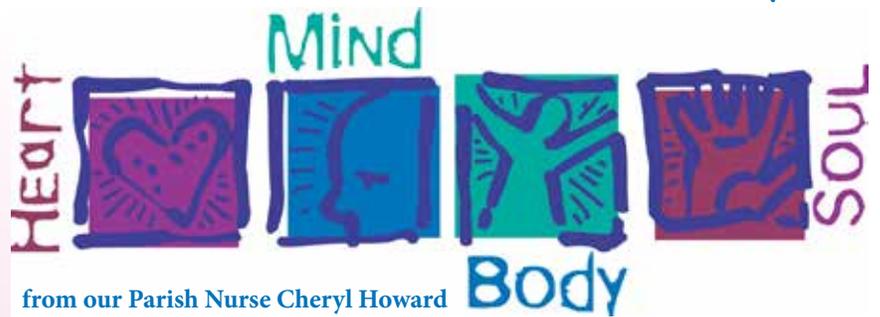

Update on Affordable Care Act

This is an FYI to keep you informed on the Affordable Care Act (ACA). The key findings from today's report include:

Nearly 2.2 million (2,153,421) people selected Marketplace plans from Oct. 1 through Dec. 28, 2013. Of the almost 2.2. million:

- 54% are female and 46% are male;
- 30% are age 34 and under;
- 24% are between the ages of 18 and 34, and;
- 60% selected a Silver plan, while 20% selected a Bronze plan; and
- 79% selected a plan with Financial Assistance.

If you would like to ask questions about the Affordable Care Act, attend a Hall meeting on February 19 at St Francis in Mooresville. Call 317-528-8819 for times.

Health Notes

“Thou will keep him in perfect peace, whose mind is stayed on thee.” Isaiah 26:3

Most of us are familiar with Stephen Covey's *7 Habits of Highly Effective People*, but when I saw the title *7 Habits of Emotionally Healthy People* that caught my attention. I am convinced that many of our physical illness and diseases are triggered from our emotional being. We do not give this portion of our health nearly enough attention. That may be because our emotional injuries are difficult to identify and heal. They become who we are- depressed, sad, teary, complainer... We do sustain emotional injuries but we are not sure how to treat them. Dr. Guy Winch has written a book on this subject. Here is a summary of his list of 7 Habits:

1. Fail successfully- what can you learn from that unattained goal?
2. Find meaning in loss- what was the purpose in this loss, what can you appreciate from this?

3. Stop brooding- replaying it won't change it- so distract yourself with a task requiring concentration.
4. Nurture self-esteem- practice self-compassion- write down your strengths.
5. Revive self-worth- what qualities in yourself do you admire?
6. Combat loneliness- make a date or come to church and get involved!
7. Absolve yourself- do you need to apologize or do you need to forgive?

Our physical well-being is impacted by our emotional well-being which is impacted by our spiritual well-being. They work together to allow us to live a balanced life. Where do you need to pay attention?

Good Health = Better School Performance

A study out of Texas found that cardio-respiratory fitness consistently boosted grades on reading and math tests. Among 6th grade students, the fittest scored 30% higher than average, while the less fit scored 20% lower. If physical education in schools are phased out, some children will be at risk for future healthy mind development.

News & Announcements

United Methodist Women's News

The women of the UMW have been planning for our events in 2014 to help support our missions. But first, we would like to thank all of you for the great support we had in 2013. Our hope is that you enjoy and look forward to each of our events in 2014.

Cheese Ball Sale

Our first event for 2014 was the cheese ball sale. We hope you enjoyed tasting each of our samples and will enjoy snacking on them during the Super Bowl. Just a reminder that cheese balls may be picked up on Sunday, February 2, between each service and before 3rd service.

Return Cookie Tin

For those of you who purchased cookies at our sale in December and have no need for the tin you filled, we would appreciate it if you would return it to the church. You may place it on the table near the office where the mailboxes are located. Thank you for your help.

Scholarship Applications

The UMW scholarship applications are now available. This scholarship is a one-time gift to any woman who attends FUMC who will be furthering their education. Please contact a UMW member if you are interested. The scholarship will be given in May during one of the church services.

Aluminum Can Collection

Just a few reminders that the UMW is still collecting aluminum cans for recycling and also already-read Daily Words, Guidepost magazines or other religious magazines to be sent to other countries to spread the word of Christ. These booklets may be put in the box in the bookcase by the narthex.

Once again thanks for your support and may each of you be blessed in 2014.

Contribution Statements

Need a contribution statement for tax purposes? Have you been receiving quarterly statements? If not, perhaps you have not indicated how you prefer to receive it.

If you have been receiving your statements already by email, there is no need to sign-up again! Otherwise, please look for a form in the Sunday bulletin or church office, or email your information to:

Three options are available:

1. Email (preferred - no postage or printing cost!)
2. Pick up printed statement at church
3. Mailed at year's end - SNOW BIRDS ONLY, PLEASE!

Thanks for Helping with Christmas Backpacks

Thank you for your generosity to the children in our community this Christmas. 18 families were adopted by FUMC through the Churches in Mission. In addition, we spent \$3,198 to provide 275 children in Morgan County with backpack food. This included children in all five Mooresville elementary schools and Monrovia elementary. There were 10 sacks remaining – 9 were given to the Boys/Girls Club. The remaining one was used in church to show the congregation and then given to one of our Meals on Wheels clients right before the blizzard. Additional leftover food was used for the van ministry. We could not do this without your support. Kroger gave us all the food

at cost and delivered it to the church (Thanks Don Stultz!). Toothbrushes were donated from local dentists and 18 people helped pack and deliver the food. The children in our community thank you.

Mission & Evangelism News

Jason & Rachel (Gatts) Shore
 from our missionaries serving @ IHOP in Kansas City, MO

Hello and Happy New Year!

We pray that this letter finds you well. We are catching our breath and reflecting with thanksgiving over all the Lord has accomplished during IHOPKC's annual Onething conference. We spent around 15 hours a day volunteering in various ways from keeping the web-stream running to ushering. We were blessed to be able to serve our city and the nations at this massive event. Here are a few highlights:

- 1st Annual Onething Leadership Summit with leaders from 6 continents. It was an inspirational and strategic move toward 24/7 prayer in every tribe and tongue!
- Through partnering with the Seed Company (an affiliate of Wycliffe Bible Translators) to End Bible Poverty in our generation, we have taken on 5 translation projects of the Gospel of Luke.

- Successfully launched the global broadcast of the All Nations Prayer Room

While the times of worship and teaching were amazing, two moments that touched eternity will stick with me. The first came while ushering when I witnessed the conversion of a young man from Islam. He had attended our free event out of curiosity, heard the Good News, tore up his Quran and left with a Bible and love for Jesus in his heart! Praise the Lord.

The other happened during a time set aside to pray for people who wanted the Lord to touch their minds and bodies with healing. It was a spectacular experience. I did believe that God could heal before that afternoon, but watching it take place right before my eyes strengthened my spirit and confidence in the Lord in a powerful way! We prayed for over 900

people and witnessed over a hundred receive physical and inner healing, relief from pain and even complete restoration from chronic diseases. Praise the Lord! There is Hope and His name is Jesus.

As always, we want to thank you for your faithful support! Have confidence that you have partnered with us in advancing the Kingdom. How blessed we are to link arms with you. We pray the Lord would richly bless you in this coming year for all that you have generously sown into His purposes.

Much love,
Jason, Rachel and Isaiah

Philippines Mission Trip

We have begun to plan our mission trip to the Philippines over our spring break in March. If you'd like to contribute to that, please put an offering in the plate or through the church office, making a note that it is for the McGavran's funds to help in the Philippines. We will be going to Panay Island where our primary project will be re-roofing an elementary school in the town of Illo-Ilo (pronounced E-low E-low). We will not be 'vacationing' at all. All our time will be either travel time or at the work site for the entire week of spring break. We need to raise approximately \$2,000 USD for 3 flights per person, \$10 a day per person for food, and approx. \$150 for transportation from the airport to Illo-Ilo and back, and approximately \$700 for the roofing materials. We think we will have no or very low cost for our sleeping arrangements, possibly in a church or pastor's home. For our family of 4 AND the roofing materials, we'd like to raise \$3,300 USD. We will be inviting other families and/or students to join us.

Fast Facts:

- Our first place serving the Lord overseas was at Woodstock School in Mussooire, India.
- Don's father and aunts attended Woodstock School as children (boarding school).
- Don became the Woodstock's 1st Director of Human Resources and I became the first formally hired, trained school counselor.
- We used a wood burning 'stove' in ONE room in the winter; it was so cold inside our bedrooms we used down sleeping bags to keep warm at night and could usually see our breath in the mornings and evenings.

Mission & Evangelism News

Don & Vicki McGavran from our missionaries serving in Indonesia

Hello First UMC! It's the McGavrans! Really, it's February? Seriously, it seems like it was just Christmas a couple weeks ago! While you've had snow and ice, we've been having lots and lots of rain, pretty much every day! At least mold and mildew aren't as dangerous as snow and ice! To get to know us better, this month we will spotlight Don! Enjoy getting to know a little more about him.

Spotlight.....on Don!

- Don completed a master's degree at Evansville University in 1988 in counseling.
- While in India, he studied and eventually earned certification in Human Resource Management.
- In Kenya he became the Director of Operations and Development for Rossly Academy.
- While in Kenya, he returned to training and participating in triathlons, even winning the Nairobi Triathlon one year!
- He gave up his training and competitions in swimming and triathlons so he could pursue a doctoral degree. Why?
- The Lord has given Don the gift of leadership.
- He desired to become the head of a school, but to do so, a higher degree was needed, particularly because his M.S. degree was not in education.
- He was accepted in the Ed.D. program at Columbia International University. He finished in 4.5 years, having taken more courses than most any other Ed.D. student; again, because his M.S. was not in education.
- So what can you conclude about Don? He desires to be challenged, setting goals and setting out to achieve them!

(I, Vicki, held up a stop sign last May when his Ed.D. was in hand, asking him to let 'us' be bored for a short time!)

To God be the glory. Great things He has done and continues to do!

Thank you 1st UMC for supporting our ministry at Mountainview ICS.

We are grateful.

Discipleship 101: Transformation and Multiplication

What really is biblical discipleship? Is it simply a class or program you attend at church? Does it require joining a bible study or small group? Is it worshipping at church or serving at a soup kitchen or even sharing your faith in Christ with others? One definition of discipleship is this:

“The diligent and intentional teachings and practices that promote the life-long lifestyle of becoming ever more like Jesus and reproducing the Christ-life in others.”

Discipleship sounds an awful lot like a student/teacher relationship on steroids! The model of discipleship Jesus used was one that entailed transformation and multiplication in it's DNA.

Simply put: Discipleship is God's design for us to follow Christ and to lead others in a relationship to follow Him as well. Jesus is calling us to be disciples who make disciples, who in turn will make disciples! Christ changes us to help bring His change in others.

Blessings, **Pastor Ben**

Anne Gatts: Can I Hear You Now?

Originally published on devotedteachersheart.com

After a fun-filled visit in December I flew to Kansas City to deliver my three-year old grandson into his parents' waiting arms. I called Rachel the following day to see how he was getting along. After all, for six days at Gigi's house he had happily sat on the throne. There was bound to be a bit of an adjustment once he stepped back into reality where rules existed that actually applied to him.

Those that know me can testify that I did not raise my own three children in a house without rules. On the contrary, they had daily chores, enforced bedtimes and a routine that included very little TV or refined sugar. And in a household of five, rules were not only necessary, they were the key to our collective sanity.

However, that was then and this is now.

Being a Mommy and being a Gigi are two completely different roles and let me tell you that the latter is the much better gig. Being Gigi means being able to "yes" ninety-nine percent of the time. I'm not going to say he is spoiled at our house, but he is definitely "well-loved".

Which brings me back to that phone call. When I asked her how he was getting along, she laughed. "He's actually doing very well, other than the fact that he's developed a hearing problem. He just doesn't seem to hear me when I ask him to do something."

Uh oh... a "well-loved" week with Gigi may

have contributed to his temporary deafness to listen and obey.

I wonder if God ever thinks that about me after I've spent a "well-loved" week in the world. I already know the answer is yes. There have been times I have been caught up in things of lesser importance that have dulled my spiritual ears. Little by little I've found myself at a distance from God, unable to hear what He had to say to me because I have tuned him out.

John 10:27 says, "My sheep know my voice and I know them and they follow me." Hearing His voice involves active listening and that implies an ongoing effort on my part. I must set aside time to study the Word, pray and to inquire of God what I am to do. If I'm not waiting and listening for instruction, I cannot follow.

Romans 10:17 says "So then faith comes by hearing and hearing by the word of God." The word is not going to get into my mind and soul by osmosis. I have to actually open my Bible. Read it, pray over what is written on its pages and listen for His voice. Then the promise of Psalm 32:8-9 will come to pass. "I will instruct thee and teach thee in the way that thou shalt go. I will guide thee with my loving eyes."

I never want to be so far away from God that my own spiritual deafness inhibits my response to His call. Instead, let it mirror the prophet Isaiah when God asked him whom should He send as a messenger to the people. Isaiah responded, "Here am I. Send me!"

Youth News

Message from Youth Director Bryan Vickery

It's almost midnight, you know you have to get up early in the morning, but you think to yourself, "Just one more chapter..." That's what a great novel does to you—it GRIPS you. We're gripped by a lot of things in this life, but are we GRIPPED by the greatness of God? We ought to be! In January we wanted the students to be GRIPPED by God's great truth. So we launched the TRUTH CHALLENGE! Students will be re-

warded for spending time in the Word on a daily basis (a little bribery never hurts when trying to instill important habits!). This month as we study the book of Hosea we'll be GRIPPED by God's great love for us. A love that changes everything. A love that draws us to our Creator. Are you GRIPPED by God? You will be if you take time to prayerfully and thoughtfully read the book of Hosea this month!
