## From the Pastor's Desk

I am excited about Thanksgiving this year. Our home is filled with new life, because of our newborn granddaughter. We have two more granddaughters who are three years old and thirteen years old. Jayden, our oldest granddaughter, said, "These babies are a lot of trouble, Grandpa Dennis! What if we just go horseback riding?" I said, "We can do that!" I am thankful for our family and a riding buddy.

On Thanksgiving Day, Paul reminds us that, "We can be joyful people who are able to give thanks in all circumstances." (1 Thessalonian 5:16-18) We can do this if we put into practice forgiveness. When you forgive you are set free to be a grateful person. When you are a grateful person, you will see and experience life with healthy optimism. When you refuse to forgive another person, you begin to experience an ungrateful heart. With an ungrateful heart, you will see what is wrong with life and family. The longer you live without forgiving others, the harder it becomes to be a joyful person.

To be joyful and a thankful person this Thanksgiving Day, you must forgive others for things that happened in the past. When you are a joyful and thankful person, you are equipped to enjoy today and look forward to the future with thanksgiving.

*Pastor Dennis*

## Eat SMART this Thanksgiving Day

from our Parish Nurse Cheryl Howard, R.N.

### Health Notes

**B**e prepared! This is not a fair article at this time of the year, but I feel moved to share! Diabetes is at an all-time high. Type 2 Diabetes is impacting more of us at younger ages. And Thanksgiving is coming! I want to share just a few ideas on keeping your blood sugar manageable at this very food focused time! Exercise helps the body process insulin and shed weight. Walking 30 minutes 5-6 days a week at a moder-

ate pace is recommended. Foods that are white have a high glycemic index, so, limit potatoes, white rice, pasta, white bread, and sugar. Fill half of your plate with vegetables and one fourth with lean protein and the final fourth with a high fiber carbohydrate. Make fruit a dessert. Thanksgiving does not have to be all about the food. It is about getting together with those you love!

### Flu Shots

**W**e will not be offering flu shots at the church this year. If anyone needs assistance in finding a location to get a flu shot or is in need of financial assistance, please leave your name and number at the church office. Our Parish Nurse Cheryl

Howard will get back with you on the proper information.

### It Isn't Too Late for Flu Vaccination

**A**ccording to the Center for Disease Control (CDC), between the years 1976 and 2007 the estimates of death associated with flu in the U.S. have ranged from 3,000 to 49,000 people. On average, approximately 90% of deaths occur in those ages 65 years and older.

#### Who should get vaccinated?

- The CDC recommends that everyone six months of age and older receive a flu vaccination. Vaccination is important for those people at high risk for flu complications and their close contacts.
- The following health conditions may also place people at a higher risk for flu complications: asthma, neurological and neurodevelopmental conditions (cerebral palsy, epilepsy, stroke, mental retardation, moderate to severe developmental delay, muscular dystrophy and spinal cord injury), chronic lung disease (such as COPD and cystic fibrosis), heart disease, kidney disorders, liver disorders, metabolic disorders, blood disorders (such as sickle cell disease), endocrine disorders (such as diabetes), weakened immune system (such as with HIV/AIDS, cancer, or on chronic steroid treatment), people less than 19 years old who are receiving long-term aspirin therapy, morbidly obese (BMI of 40 or more).

#### Can you still get the flu even if you are vaccinated?

- Yes, there is a risk that you can get still get the flu. Getting the flu vaccine is the best way to help prevent against getting flu.

#### There are a few reasons for contracting the flu despite getting vaccinated:

- You may get a strain of the flu that is not included in the seasonal vaccine. There are many different flu viruses that circulate every year that are not included in the vaccine.
- You may be exposed to the virus before you received the flu vaccine.
- It is possible to contract the virus during the two-week period after you receive the flu vaccine while antibodies build up in your system.
- Health and the age of the person also alter the effectiveness of the flu vaccine. Some older people or those with chronic conditions may develop less immunity after receiving a flu vaccination.

Please get immunized. (HHS.gov)

*Giving (to God) demonstrates obedience and expresses love.*

**Worshiping God with Our Gifts**  
 a note from Finance Chairperson, Signe Nicholson

You may not think that making a financial contribution is an act of worship, but it certainly is! In Proverbs 3:9 God tells us to honor Him with our wealth. Giving demonstrates obedience and expresses love. Giving is an investment in God’s kingdom. Our church is responsible for being a good steward of those gifts, using them in ways that enable ministries that touch hearts and change lives for the glory of God.

How does that happen? Out of each dollar contributed:

- 60 cents used to pay for staff. This includes pastors as well as administrative, custodial, music and children’s ministry personnel.
- 20 cents used to pay for facilities. This includes utilities, building and grounds maintenance and computer equipment. It no longer includes a mortgage, thanks be to God!

- 20 cents used to pay for missions and ministry. Some of these are internal ministries: children, youth and family ministries, worship, music. Some are outreach missions: Churches in Mission, Pregnancy Care Center, Jackson Center, the McGavrans & Shores, Upward Basketball. Some are world missions accomplished through our apportionment title to the United Methodist Ministry.

**Making Ministry Happen in 2014**  
 a note from Stewardship Co-Chairperson, Melanie DePoy

Congratulations FUMC on successfully “Making Ministry Happen” in 2014! Almost every week we are reminded of some great work that God is doing in our Church, in our community or throughout the world because you cheerfully give of your time, your talent and your treasures to make these missions and ministries happen.

Many of these efforts are supported as special projects and are funded through “designated” gifts. At the same time, we must also support all of the things that are required to operate the Church on a daily basis – building operations, staff, utilities, snow removal, mowing, etc.

These expenses are part of the “general fund.” Your pledges to the “general fund” serve as the basis for our annual Church budget.

At FUMC, we set aside a special time to learn more about the financial needs of our Church so that you can prayerfully consider how much you plan to commit through your pledge in 2015 to support the general operations of the Church.

This year’s fall stewardship campaign will take place on November 2, 9, and 16. Each of these Sundays, a special speaker will talk about the various ways that your pledge dollars are used to support the work of the Church. Please make a spe-

cial effort to attend church on November 16th when we will turn in our pledges for 2015 and enjoy some special activities to celebrate the opportunity to support God’s work!

## Seek God First by Reading His Word and Through Prayer

by Cathy Mosier

Prayer is how we communicate with God. The Holy Scripture is how God communicates with us.

The angel of the Lord came to Peter and a light shone in the prison; and the angel hit Peter on the side, and raised him up, saying, "Arise up quickly." AND Peter's chains fell off (Acts 12:7).

And at midnight Paul and Silas prayed and sang praises unto God... And suddenly there was a great earthquake, so that the foundations of the prison were shaken; AND immediately all the doors were opened and every one's hands were loosed from their chains (Acts 16: 25-26).

In the daily devotional *Streams in the Desert*, F.B. Meyers says, "This is God's way. In the darkest hours of the night, HIS footsteps draw near across the crashing waves. As the day of execution is dawning, the angel comes to Peter's cell. When the scaffold for Mordecai is complete, the royal sleeplessness leads to a reaction in favor of the favored race."

Ah soul, it may have to come to the worst with you before you are delivered; BUT you will be delivered! GOD may keep you waiting, BUT HE WILL always remember

His Covenant, and HE will appear to fulfill His unbreakable WORD.

Psalm 46:1-3 reminds us, "GOD is our refuge and strength, an ever present help in times of trouble. THEREFORE, we will not be afraid, though the earth give way and the mountains fall in the heart of the sea, though its waters roar and foam and the mountains quake with their surging."

Once you know God and Jesus as a Father and a Son, you are eager to join the family of God.

As we travel on our own particular road in life, it is necessary to seek God first and please Him and other things will fall in order. You can choose joy or you can choose sadness. As difficulties occur that are out of human control, God steps in IF He knows you follow Him in faith, trust, and obedience. When he closes a door, He always opens a window. Looking for the window takes patience, persistence, and a positive attitude. When the answer to prayer comes, it may not be what we expect to hear. Then our prayer needs to change to ask for guidance to the next steps on the path that will glorify

Him in the end.

I challenge each of you to know HIM better through reading HIS love story to you. I suggest that you begin by reading a chapter of the book of Acts each day. There are 28 chapters in Acts and ALL the months have 28 days, although a few have a couple of extra days.

In Christ's service,

**Cathy**

## Youth News from Bryan Vickery

If you haven't heard the story yet, then you're probably just as confused by "1, 2, 3=20" as our group was when we were challenged to work together to solve this puzzle. If you have heard the story, you probably also heard just how FRUSTRATING this challenge was! After TWO HOURS of rope-turning, running, jumping, falling, grumbling, arguing, formulating, testing, failing, and WORKING TOGETHER, our students finally figured it out and conquered the giant that was "1, 2, 3=20." I know it was one of those "you had to be there" moments, but just know that you should be VERY proud of your kids for how they

worked through the challenge. I want to thank you for allowing your kids to be a part of this wonderful weekend of Bible study, worship, fellowship, team-building, and growing. If you haven't yet, I encourage you to check out our Fall Retreat photo album on facebook. Over the next several weeks, we'll build on what we learned and experienced this weekend as we continue to meet together and grow in unity!

"Beyond all these things put on love, which is the perfect bond of unity." Colossians 3:14  
Glad to be part of the family! **Bryan**

**Help Others in their Grief**

**W**ho do you know that is grieving a loved one this holiday season? There are many within our walls, our community and often times, our family. Please remember that the first year is the hardest! Here are some things YOU CAN DO, to help those you know:

- Measure your words carefully to be sensitive to their circumstances; birthdays, anniversaries, holiday events, etc.
- Reach out with a note, phone call or text to let them know you are praying for them
- PRAY for them and ALL those grieving
- Invite them to join you for the Blue Christmas Service on December 22, 2014. Telling someone they should go and inviting them to join you are two different things.
- There is a list of available Community Grief Support on the FUMC website and in the Memorial Library

**“Surviving the Holidays”**

**G**riefShare, a grief recovery support group, will be hosting a seminar Nov. 9 at 3:30. This will take place at Gasburg Baptist Church in Mooresville. A light meal will be served. There will be no charge. Please RSVP to (317) 544-9185 or rheam0813@yahoo.com

**Updates from Jason, Rachel and Isaiah Shore missionaries serving in Kansas City, Missouri (IHOP)**

**Sidewalk Church: a Sunday School Outreach**

**S**eptember held the long awaited Sidewalk Sunday School Outreach launch in our very own neighborhood, Calico Farms. Over a year ago, I woke up in the middle of the night and wasn't able to go back to sleep. I began to pray for our neighborhood. As I did, I felt God's love and desire for our community in a deeper way. It was in those sleepless moments that the dream began in my heart of connecting with & loving the kids in our neighborhood in an intentional way as a means to show them God's love.

We have been praying over a year and our hearts are overflowing as we watch our prayers being answered. God is so faithful. We can't wait to see what He is going to do in the lives of the children and families in Calico Farms!

Sidewalk Sunday School is a weekly initiative to reach children and youth in our local neighborhoods with the truth and love of God. We use our Sidewalk Sunday School trucks to travel and communicate the gospel. Each truck goes out with a team and is equipped with a self-contained stage, a sound system, and more. We share

the gospel through fun and games, praise, and a variety of learning tools. We also try to meet practical needs through serving lunch and hope to build lasting, trust filled relationships with the kids.

Thank you for praying with us as this new outreach begins. We cannot fully express how much of an encouragement your prayer & financial support are to our hearts. Thank you for allowing us to serve in this way through your partnership.

We have some other exciting news on home the front as well. We have begun the adoption process again and have finished our home study. We are now approved & waiting to be matched with a baby. (On a side note, infant adoption has an unknown waiting process ranging from a couple months to a couple years. Thanks for praying with us as we wait. We will keep you posted as things develop further.) Needless to say it's been an exciting season!

Sending our love from Kansas City!

### Think Stephen Ministry by Cathy Mosier, Co-Director of Stephen Ministry

**W**hat does it mean to “Think Stephen Ministry”? Thinking Stephen Ministry is remembering this caring ministry as you meet and talk to people. When you notice a need, ask about it and listen some more. Might this be a need that can be met by a confidential Stephen Minister? Let yourself be the eyes and ears of Jesus in our congregation. When Jesus saw a need, He recognized it and looked for a way to meet that need. Let Jesus work through you so that you are quick to recognize needs and to find ways to meet those needs by offering Stephen Ministry. You may be the only one who notices that someone has a need. Remember that needs aren’t always

obvious. Different people are affected differently by the same or similar events. By “Thinking Stephen Ministry” you are being sensitive to the fact that each person may react to the same event with different powerful emotions.

Thinking Stephen Ministry is having your antennae up so that you are aware of the needs around you and always looking for ways to meet those needs, including confidential Stephen Ministry.

Please feel free to contact either Dale DePoy or Cathy Mosier to find out more.

### Help Decorate Our Church November 23

On November 23, the worship committee is inviting our congregation to help decorate our church for Christmas! We encourage everyone to attend a Sunday School class during 9:45am, then come and worship during the 11:10am worship service! This will be a

great opportunity to worship with Pastor Ben and the Contemporary Worship band, followed by Pastor Dennis's sermon, "They've Turned the World Upside Down" (Serving King Jesus) Acts 17:1-9. Then, join everyone in the Fellowship

Hall for soup and sandwiches. After lunch, it is time to DECORATE! Help our church celebrate the birth of our Lord! Great family fun and wonderful way to meet people from all three worship groups!
