- Parent's Support Groups**
The loss of a child is unlike any other. A parent grieves their past, their present and their future when a child is lost. It is a loss that cannot be understood by anyone who has not felt the depth of pain and loss personally. The **Mom's Grief Breakfast** and **Dad's Grief Breakfast** provide a place of understanding and sympathy like no other. You can attend the breakfast and sit quietly and listen or you can choose to share. The choice is yours. Either way, there is comfort and healing in the company of other parents. We invite you to join either group as you are able.
