Big Brother Big Sister

January is National Mentoring Month. If you have had a mentor in your life that impacted who you are today, this is a good time to reflect back and thank them for what they did for you. If you would like to do the same for a child in your community, Big Brothers Big Sisters is a great way to make a lasting impact on a child that will forever change both of your lives. For more information or to get involved, please contact Clinton Harper at 307.742.2227 or clinton@wyobbbs.org.

Are you one of the 70% or one of the 30%?

About 70% of Americans have no will. Of those that do, many have outdated wills. Without a will, your state will "make" one for you. You and your family may not like what it says.

Over successive Sunday worship services, leaders of our Church will highlight different aspects of the importance of having a will. You will also receive written materials that may be helpful to you in your estate planning.

Mark your calendar for **February 7, 11:00 am**. That's when, following a potluck dinner, Dale Levy, planned giving director of the Rocky Mountain United Methodist Foundation, and a local attorney, will co-present a Wills Workshop on wills and estate planning at FUMC. Whether or not you have a will, you will find this workshop informative.
