

Welcome to MPACT at First Church, Sedalia

We're excited that your student is interested in participating in the youth program at our church. We provide programs for students in grades 5-12 to come together and enjoy fellowship and worship, and to help them grow in knowledge and to develop a personal relationship with our Lord and Savior. We invite you to take an active part in any of the activities designed to help our youth grow within the church and the community throughout the year. We also invite you to become a helper with any of our youth programs.

Thank you for bringing your student. It is our hope that we will always be able to provide a fun and safe place for them to come. We cannot provide transportation to or from church activities without your prior approval. Please make arrangements for your student to be transported to and from church. Be certain your student is aware of these arrangements. Also, activities that take place off of church property will require adult volunteer drivers. Students driving other students will not be permitted without written permission from each student's (both driver and passenger) parents.

Please fill out and return the attached form to be sure our leaders have important information about your student and contact numbers where you and/or an emergency contact can be reached in case of an emergency. Please fill out a separate form for each student participating. This registration form will be maintained on file at the church. If changes need to be made, please alert a leader and update the information. For special events and field trips, notification will be provided at least one week prior to the event.

To maintain a pleasant place to come for fun and learning, we want you to rest assured that we have the same high expectations of behavior and respect that you do. We will let you know if your student's behavior needs *your* attention. If for any reason your student is being disruptive during any church sponsored program, such as not staying with their group or following the directions of the leader, they will be given fair warning and be given an opportunity to correct their behavior. If necessary, we will call you, so you can stay with your student or take them home.

If you have any questions, please don't hesitate to contact me:
