Who should come?

Nudge

a renewing day

Any of our pastors and staff are welcome...

...Students, ministry staff, Local Pastors, Deacons and, of course, Elders.

That means YOU! Phone a friend, poll a pastor and get here for a 24 hour experience we'll all be talking about for years to come.

It is so easy to get run down, feel isolated, lonely and defeated. Ministry is not easy, but it can be rewarding. God wants to renew and refresh us, but we have to be willing to take the opportunities to meet with God.

Nudge is that opportunity. As you approach this Fall season, get in on something brand new. The Order of the Elder *invites, even dares* you, to **MAKE** the TIME and **TAKE** this TIME to let God nudge you towards a deeper love for God and each other..

Imagine if our pastors, superintendents, conference leadership all came together in the same place with hearts open to God and a desire to share in caring for one another. Not only would we be strengthened, but all of our congregations and ministries would benefit by the renewal we experience. Don't miss Nudge, Sept 13-14
See you in Sedalia.
