

West is for Warrensburg

SAY YES!

WE'RE HEADED WEST!

There's something about going "West" that gives us a pioneer spirit. West is the direction of exploration, of adventure, and of excitement. West takes courage, trust and teamwork. West is bold and fearless. We're headed West. Specifically we're headed to Warrensburg; and we're heading there with the intention of translating our church's vision, values and vibe into that particular community.

We believe that the gospel is all those things that are "West". And if we're faithful to it, the power of the story of Jesus will change lives in Warrensburg just as it has in Sedalia through the ministry of this church. We're not going West because we've got all the answers or because our church is "better" than others. We're headed West because that's where God has pointed our compass.

Warrensburg Community Center

Warrensburg Community Center is a beautiful multi-function building that houses fitness equipment, a basketball court, an indoor pool, and soon, our third location! We're so thankful that this building is available to us because it provides us with an immediate connection to the community (and it's stinkin' cool). The WCC is located on the same property as the new aquatic center and a beautiful public park.

We will first launch Bible Studies in a home and at the WCC on a weekly basis starting in September.

Then, in time, a worship experience will be offered on Sunday evenings

and it will begin sometime in early 2011. It is our hope that we will reach un-churched people who either live & work in Warrensburg, go to school there or are in neighboring settings like the air force base.

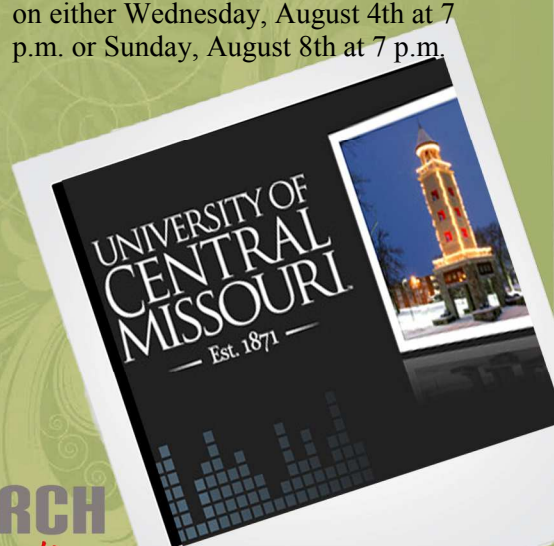

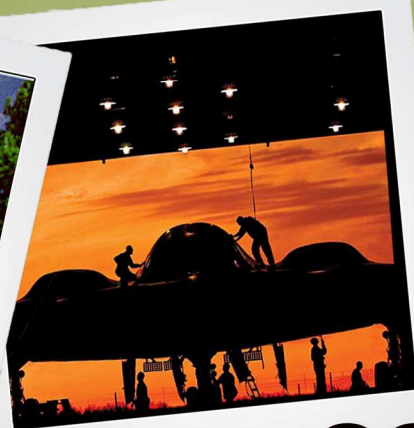

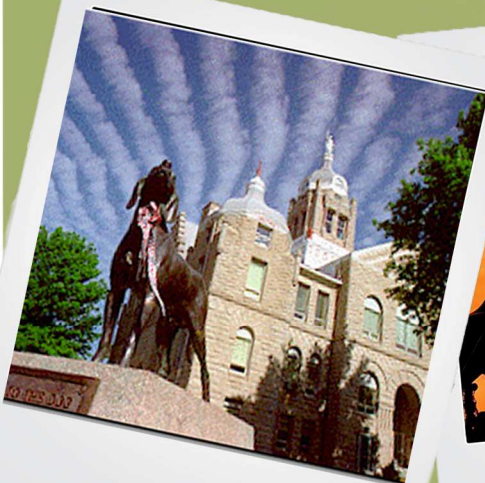

Jared Wheeler will give leadership to this site and our whole team and congregation will be called upon to assist in this new outreach effort.

WAYS WE CAN HELP in the IMMEDIATE and NEAR FUTURE: Pray. God works through prayer and releases the power and resources needed to accomplish what He calls us to do.

Think of friends and family who live in the area who might be interested in being a part of this new work.

Be on a team to help with hospitality, set-up, greeting and more when a service actually launches.

Join us for **The Third Location Chat** on either Wednesday, August 4th at 7 p.m. or Sunday, August 8th at 7 p.m.
