SCHOOL HISTORY AND PURPOSE

Florence Christian School was established in 1972 as an extension and ministry of the Florence Baptist Temple.

The school exists to assist your family in training your children intellectually, physically, spiritually, and socially toward maturity and responsible independence (Luke 2:52). We view our school as an adjunct to the home and church--not a substitute.

Although we attempt to keep a warm, spiritual atmosphere of traditional, Christian values, we are an educational institution. Our ultimate purpose is to assist the family in producing well-rounded children who are excited about themselves, what they are doing, and are prepared for adult responsibility.

The school consists of Child Development, Kindergarten, Elementary, Junior and Senior High levels (3 years of age through the twelfth grade).

Florence Christian School admits students of any race, color, national and ethnic origin to all the rights, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, and athletic and other school administered programs.

SCHOOL OBJECTIVES

Spiritual Objective

Each student will understand how to have a biblical relationship with God through salvation and experience a victorious Christian life by following God in submission and obedience to His will as revealed in the Bible.

Communication Objective

Each student will be able to communicate, express, and present themselves effectively in the areas of speaking, writing, technical skills, and listening.

Character Objective

Each student will demonstrate quality character traits in the areas of manners, respect, conduct, honesty, patriotism, and appearance.

Study Skills Objective

Each student will possess good study skills in the areas of listening, organization, following directions, completing assignments, and classroom time management.

The following expectations will be required:

- written presentations will begin in 5 yr. old kindergarten
- long range assignments will begin in the 3rd grade
- parent's signature on assignments through the 3rd grade
- complete independent effort (no parental assistance-except for guidance) on assignments after the 4th grade

STATEMENT OF FAITH

Of The Scriptures: We believe that the Holy Bible was written by men supernaturally inspired; that it has truth without any admixture of error for its matter, and therefore is, and shall remain to the end of the age, the only complete and final revelation of the will of God to man, the true center of Christian union and the supreme standard by which all human conduct, creeds, and opinions should be tried.

By “The Holy Bible” we mean that collection of sixty-six books, from Genesis to Revelation, which, as originally written does not only contain the Word of God, but IS the very word of God.

By “inspiration” we mean that the books of the Bible were written by holy men of old, as they were moved by the Holy Spirit, in such a definite way that their writings were supernaturally and verbally inspired and free from error, as no other writings have ever been or ever will be inspired.

Of The True God: We believe that there is one, and only one, living and true God, an infinite, intelligent Spirit, the maker and supreme ruler of heaven and earth; inexpressibly glorious in holiness and worthy of all possible honor, confidence and love; that in the unity of the Godhead there are three persons, the Father, the Son and the Holy Ghost, equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

Of The Holy Spirit: We believe that the Holy Spirit is a divine person; equal with God the Father and God the Son and of the same nature; that He was active in the creation; that in his relation to the unbelieving world He restrains the evil one until God’s purpose is fulfilled; that He convicts of sin, of judgment and of righteousness; that He bears witness to the Truth of the Gospel in preaching and testimony; that He is the agent in the New Birth; that He seals, endues, guides, teaches, witnesses, sanctifies, and helps the believer.

Of The Devil, Or Satan: We believe that Satan was once holy, and enjoyed heavenly honors; but through pride and ambition to be as the Almighty, fell and drew after him a host of angels; that he is now the malignant prince of the power of the air, and the unholy god of this world. We hold him to be man’s great tempter, the enemy of God and His Christ, the accuser of the saints, the author of all false religions, the chief power back of the present apostasy; the lord of the antichrist, and the author of all the powers of darkness—destined, however, to final defeat at the hands of God’s own Son, and to the judgment of an eternal justice in hell, a place prepared for him and his angels.

Of The Creation: We believe in the Genesis account of creation and that it is to be accepted literally, and not allegorically or figuratively; that man was created directly in God’s own image and after His own likeness; that man’s creation was not a matter of evolution or evolutionary change of species, or development through interminable periods of time from lower to higher forms; that all animal and vegetable life was made directly and God’s established law was that they should bring forth “after their kind.” Since God created mankind into genders distinctly male and female, we believe that the only legitimate marriage is that between a man and a woman. He has commanded that no intimate sexual activity be engaged in outside of marriage. We believe that any form of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery and pornography are sinful perversions of God’s gift of sex. We believe that God rejects any attempt to alter one’s gender by surgery or appearance.

Of The Fall Of Man: We believe that man was created in innocence under the law of his Maker, but by voluntary transgression fell from his sinless and happy state, in consequence of which all mankind are now sinners, not by constraint, but of choice; and therefore under just condemnation without defense or excuse.

Of The Virgin Birth: We believe that Jesus Christ was begotten of the Holy Ghost in a miraculous manner; born of Mary, a virgin as no other man was ever born or can ever be born of a woman, and that He is both the Son of God, and God, the Son.

Of The Atonement For Sin: We believe that the salvation of sinners is wholly of grace; through the mediatorial offices of the Son of God, who by appointment of the Father, freely took upon Him our nature, yet without sin, honored the divine law by His personal obedience, and by His death made a full and vicarious atonement for our sins; that His atonement consisted not in setting us an example by His death as a martyr, but was the voluntary substitution of Himself in the sinner's place, the Just dying for the unjust, Christ, the Lord bearing our sins in His own body on the tree; that, having risen from the dead, He is now enthroned in heaven and uniting in His wonderful person the tenderest sympathies with divine perfection. He is in every way qualified to be a suitable, a compassionate and an all sufficient Savior.

Of Grace In The New Creation: We believe that in order to be saved, sinners must be born again; that the new birth is a new creation in Christ Jesus; that it is instantaneous and not a process; that in the new birth the one dead in trespasses and in sins is made a partaker of the divine nature and receives eternal life, the free gift of God; that the new creation is brought about in a manner above our comprehension, not by culture, not by character, nor by the will of man, but wholly and solely by the power of the Holy Spirit in connection with divine truth, so as to secure our voluntary obedience to the gospel; that its proper evidence appears in the holy fruits of repentance and faith and newness of life.

Of The Freeness Of Salvation: We believe in God's electing grace; that the blessings of salvation are made free to all by the gospel; that it is the immediate duty of all to accept them by a cordial, penitent and obedient faith; and nothing prevents the salvation of the greatest sinner on earth but his own inherent depravity and voluntary rejection of the gospel; which rejection involves him in an aggravated condemnation.

Of Justification: We believe that the great gospel blessing which Christ secures to such as believe in Him is Justification; that Justification includes the pardon of sin, and the gift of eternal life on principles of righteousness; that it is bestowed not in consideration of any works of righteousness which we have done; but solely through faith in the Redeemer's blood, His righteousness is imputed unto us.

Of Repentance And Faith: We believe that Repentance and Faith are solemn obligations, and also inseparable graces, wrought in our souls by the quickening Spirit of God; thereby, being deeply convicted of our guilt, danger and helplessness, and of the way of salvation by Christ, we turn to God with unfeigned contrition, confession and supplication for mercy; at the same time heartily receiving the Lord Jesus Christ and openly confessing Him as our only and all-sufficient Savior.

GENERAL INFORMATION

ABSENTEEISM

A courtesy letter will be sent out quarterly for those students who have had at least 5 absences. Students are allowed ten approved/disapproved absences (indicated as unexcused on the report card). For an absence to be approved, a written excuse from a parent is required. Sickness or a death in the family are acceptable excuses for being absent. Students are also allowed ten office approved absences (indicated as excused on the report card) which are those documented by a note from their attending physician or granted by the FCS administration. More than ten absences, other than those documented by a doctor's excuse or death in the immediate family, will result in a student's failure to be promoted. For semester courses, the allowed number of absences is five. Also, a student may only miss twenty days total in regard to office approved, approved, and disapproved absences before losing credit for the year unless unusual circumstances are approved by the administration. Because we do send out courtesy letters throughout the year, it is the student's responsibility to keep up with their own number of absences.

Note: Sickness not documented by a doctor's excuse within five school days of the student's return will not be changed to approved.

A student (5K-6) must be present at least three hours to be counted present for the day. A student (7-12) must be present at least forty minutes in each period to be counted present for that period.

Students are responsible for all make-up work and must make these arrangements with their teacher(s). Make-up work must be completed promptly within three days of the absence. If a student is present for any part of the school day, he/she is responsible for taking all tests and quizzes assigned that day as soon as the student returns to school. Assignments not made up will receive a grade of zero.

Students are required to attend school for at least ½ the day in order to participate in after-school activities. Absentees may not attend a school function without the principal's permission. If a student needs to be absent for any reason other than sickness, doctor's appointment, or death in the family, this absence may be excused with the principal's permission.

Note: After five tardies, elementary students will be marked one absence, which will count toward their ten disapproved absences.

ADMISSION/ENROLLMENT REQUIREMENTS

DAYCARE

Our daycare facilities are available to our students in grades K3-6 for a reasonable rate. If interested, please call the child development office and make arrangements. The fees for the daycare service should be handled through the child development office.

FIELD TRIPS

Field trips are taken at various times during the school year to places of educational interest. The students are to maintain the same behavior and dress that are required at school. However, there are some field trips that require "hands on" participation, and with administrative approval, young ladies may wear uniform slacks. Parents are welcome to serve as chaperons, but we ask that the same standards and dress required of students be kept. Field trips are for the class members, not siblings. Please do not sign out children from other classes to go on these trips.

INFODIRECT

Infodirect is a service offered to students in grades 1-12 by our school software provider. This subscription allows the parent to check his/her child's grades or homework for any subject at any time, check the school calendar for upcoming events, and check for any other announcements throughout the year. The subscription costs \$15 per student for the school year with a maximum family charge of \$30. *Tuition must be kept up to date in order to access this information.*

INTERNET POLICY

Students are to use the Internet only as directed by the classroom teacher. Students are not to "surf" the Internet at school for entertainment purposes—only for assigned academic purposes. Students will be assigned computer stations and any inappropriate Internet sites will be handled as a disciplinary action.

LIBRARY

While the school does not necessarily endorse all the contents of any book in the library, the position of Florence Christian School is in strict adherence to the doctrines and principles taught in the Holy Scriptures. It is understood that to meet certain academic standards and to provide books of various fields of research and content, the library must have many books of different types.

LIBRARY RULES:

1. All students in grades 3K-5K will have regularly scheduled visits for story time. Elementary grades will have regularly scheduled visits to check out books. Classes in grades 7-12 may schedule visits for purposeful projects.
2. The library is open for grades 7-12 from 2:05 –2:55 Monday through Friday.
3. Students are to be working in the library, or they will be asked to leave.

LOCKERS

Every student in grades 7-12 will receive a locker at the beginning of the school year. The following guidelines will apply to locker upkeep:

Students may opt to bring their own lock but first must report the combination to their homeroom teacher. (Only combination locks may be used). Students are responsible for keeping their combination confidential.

A student is not required to keep a lock on their locker, but FCS is not responsible for any lost or damaged items.

No student is to open another student's locker.

Lockers are to be kept neat. There should not be any item sticking out or left on top of the lockers. Such items will be collected and placed in lost and found.

LOST AND FOUND

Parents, please see to it that your child's items are marked. Lost and found articles will be placed in the Lost & Found closet in Building C or in the Lost & Found box in Building B. Please check there if your student reports any loss. Any article not claimed for more than two weeks will be given to charity.

Students are cautioned not to bring large amounts of money or valuables to school. Students, not the school, are responsible for their personal property.

LUNCHES

Students may bring their lunches or purchase hot sandwiches and snack foods. FCS uses the lunch voucher system to pay for lunches. Students deposit money on their lunch account and use their student id card to purchase items in the cafeteria.

PARENT-TEACHER CONFERENCES

All parents are welcomed in the school. However, when a visit is necessary, the parent must check in at the school office and obtain a visitor's pass. **NO PARENT IS TO GO DIRECTLY TO THE CLASSROOM.** Teachers are happy to arrange for such conferences at scheduled times; however, they should not be detained either before or after school unless a meeting has been scheduled for that time.

PARENT-TEACHER FELLOWSHIP (PTF)

A Parent-Teacher Fellowship meeting will be held at the end of the 1st marking period and a

conference day will be held during the school year to enable parents to follow the progress and development of their children. The fellowship meeting provides an opportunity for the parent and teacher alike to discuss the progress of the student. The dates for these meetings are on the school calendar.

PAYMENT POLICIES

Yearly charges may be paid with one payment or ten monthly payments (August 1 - May 1). The year's tuition spread over a ten-month pay period makes it possible for families of average income to afford Christian education for their children. The last payment must be made on or before May 10.

Monthly payments not paid on or before the 10th of the month will be charged a \$10.00 late fee. No student will be allowed to participate in school functions (including classes) if the payment is not made within 45 days.

There will be a \$10.00 charge for any check returned for insufficient funds. Only cashier's checks, money orders, or cash will be accepted after two returned checks.

In case of withdrawal from school, the full month's tuition must be paid if the student attends as much as one calendar day. No deductions will be made for absences.

Report cards will be held if a student's account is not current at the end of the grading period.

Tuition may be paid by bank draft, check, cash. Make checks payable to FCS. Always get a receipt for cash.

PHONES

School phones are for business purposes. Students may use the phone in the office lobby for emergencies only. Students receiving phone calls at school **will only** be contacted if it is an emergency.

On occasion, school may have to be closed due to inclement weather conditions or some other unusual factor. When this happens, please listen for school closing on these stations: Note: Only cancellations or delays will be called in.

Due to limited sickroom space, we ask that you pick the child up within 30 minutes. SOLVING PROBLEMS

At some time during a school year, a problem may arise with your child. Usually this problem can be solved with a simple phone call. We suggest you follow this procedure in handling any problem that should surface.

1. First, call the teacher or person directly involved.
2. If the problem is not solved, then call the administrator.

We feel this is the scriptural method of solving any difficulties. Of course, it is never appropriate to discuss any problem with other parents.

STUDENT BEHAVIOR AND DISCIPLINE

CONDUCT

Florence Christian School holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate Biblical basis for the idea of spiritual growth into the image of Christ (Romans 8:29), which is the work of the Holy Spirit (II Corinthians 3:18). This growth begins with the initial act of saving faith and continues through life. The Holy Spirit makes the Christian conscious of the Biblical demands for a holy life which fulfills both God's moral law and high law of love (Matthew 22:37-39; Romans 13:8-10; Galatians 5:14). The result is a life consecrated unto God and separated from worldly activities.

Florence Christian School must, therefore, provide an environment conducive to the spiritual growth and development of young people. A standard of conduct based on the following Biblical imperatives is necessary to provide such an environment. All student activities and conduct must be subordinated to Biblical standards.

A sense of the need for spiritual growth in our students has led FCS to adopt the following standards which are conducive to the environment that will promote the spiritual welfare of all students. FCS, therefore, expects each student – whether at home, school, or elsewhere:

- to refrain from participating in worldly activities such as swearing or indecent language, visible body piercing or tattoos; smoking, possession or use of alcoholic beverages, drugs, or tobacco; involvement in the occult; gambling; stealing; pornography; premarital sex; and homosexuality.
- to refrain from harassment, fighting, violence, racial comments or actions, or threats of any kind regardless of provocation; public disruptions or exhibitionism in any form, promoting division or a divisive spirit through symbols, pictures, writing, flags, banners, slogans, gang related items, or any divisive activism.
- to maintain Christian standards in courtesy, kindness, honesty, morality, and dress.

Students are expected to abide by these standards throughout their enrollment, whether at home, school, or elsewhere and regardless if school is in session. Students found to be out of compliance or harmony with FCS Standards of Conduct will be subject to administrative withdrawal. Any student who has been arrested by public law enforcement authorities will be suspended until such time as that student is adjudicated either guilty or not guilty. Any student who is adjudicated guilty will be transferred out of FCS.

FCS has open enrollment and therefore some of our students may not be Christians; however, our desire is to see all of our students become Christians. Whether or not a student has made a personal decision to be a Christian, each student will be expected to abide by these Standards of Conduct and maintain Christian standards. Attendance at FCS is a privilege, not a right.

Each teacher will give a conduct grade. When report cards are issued at the end of each nine weeks, if one-half of the student's teachers assign grades of "NI" or "U" the following actions will take place:

E	
S	Minimum Grade w/o penalty
NI	Administrative Hearing
U	Automatic Dismissal

CHEATING

Spiritual background: Exodus 20:15 – Thou shalt not steal.

Cheating is an integrity issue, which is an essential character trait that FCS is seeking to develop in the lives of our students.

Cheating shall be defined as:

Having another student's homework, test, quiz or workbook, or allowing a student to copy or have access to the same without permission from the subject teacher.

DISCIPLINE

The goal of Florence Christian School is to provide the best possible learning environment in a Christian atmosphere. Believing that discipline is necessary for the welfare of the student as well as the entire school, each teacher is given the responsibility of enforcing classroom regulations in the manner which the administration feels is in accordance with school policy and in light of Christian principles of discipline as set forth in the Scriptures. Since the teacher is responsible to maintain appropriate classroom behavior, it becomes necessary to correct any behavior that hinders the teacher or students in the classroom. Students are expected to abide by the Biblical principle, "Do unto others as you would have them do unto you."

When misconduct occurs, corrective measures will be used to help the student change his/her behavior and attitude. Examples of typical corrective measures are student-teacher conference, one hour detention after school, or parent-teacher conference. Student can be assigned work detail or Saturday School as well as be suspended or expelled for excessive accumulations of detentions or for failure to report to detention or Saturday School.

Actions that threaten or harm another's individual's ability to function rightly and safely will require further corrective measures. Therefore, students may be suspended or expelled for lying, stealing, disrespect, cursing, cheating, vandalism, gang-related items or symbols, or other misconduct. Although this list of infractions is not exhaustive, it represents behavior that is not acceptable. FCS has adopted a "zero tolerance" policy toward violence, fighting, or threats of any kind. This includes possession of anything that could be used as a

STUDENT BEHAVIOR & DISCIPLINE

weapon. Students may be expelled for any action or statement associated with violent behavior including a joke which could be interpreted as a threat. Students' lockers, book bags, or other storage areas are subject to search, upon reasonable suspicion, for prohibited or illegally possessed substances or objects. The administrative committee will make decisions regarding suspensions and expulsions.

A sense of the need for spiritual growth in the light of Biblical principles has led FCS to adopt Standards of Conduct which are believed to be conducive to the environment that will best promote the spiritual welfare of the student. Students are expected to abide by the Standards of Conduct throughout their enrollment whether at home, school, or elsewhere. Students will not be admitted to class without a signed Standards of Conduct agreement on file at the school.

Please feel free to consult with the office about any problem or question that concerns the welfare of students. It is the desire of the administration and faculty to be of service to both parent and student; each teacher welcomes a visit from any parent. We do urge, however, that such visits be made by appointment with the teacher at a convenient after-school hour.

Full cooperation is expected from both student and parents in the education of the student. If at any time the school feels that this cooperation is lacking, the student may be requested to transfer out. Also, if the student's behavior or attitude indicates an uncooperative spirit or one that is out of harmony with the spirit and standards of FCS, whether or not there is any definite breach of conduct, he may be requested to transfer out.

FCS is above all else a Christian institution in both philosophy and practice. We firmly believe there is no place at FCS for worldly practices or divisions so common among other institutions. Therefore, any student who promotes division or divisive spirit through secret clubs, symbols, pictures, writing, flags, banners, slogans, or any divisive activism is out of harmony with the standards and Christian philosophy of FCS and may be withdrawn or refused reenrollment at the discretion of the administration.

Explanation of Discipline Consequences:

Detention Hall - During detention a student will complete written assignments. Other tasks may be required at the discretion of the detention monitor. Detention Hall will be served Mondays from 3:00-4:00 at \$10/hour.

Work Detail – The student will be assigned to work on a pre-determined project on school grounds. Work detail will be served on Wednesdays from 3:00-4:00 at \$10/hour.

Saturday School – Saturday detention will be served between 8:00 AM and 12:00 PM on the second and fourth Saturday of each month, as needed at \$10/hour. Students may be asked to perform helpful tasks around the school building, complete written assignments, or a combination of both.

Overnight Suspension (ONS) – The student will be suspended out of school effective at the end of the day on which the violation occurred and will continue until a parent accompanies the student back to school. Reinstatement will consist of a conference with an administrator. If the conference is held before any extra-curricular activity or class the next day, the

STUDENT BEHAVIOR & DISCIPLINE

student will not suffer any loss of participation/credit. NOTE: Phone calls or letters will not be accepted.

Out of School Suspension (OSS) – Parents must understand that OSS is intended to be a disciplinary action, not a day of vacation. The student will receive a list of assignments that must be completed before he or she returns to school. The student will be responsible for making up any test, quiz, or project that was missed due to the suspension.

Probation – Strict behavioral guidelines will be issued to the student by the administration, and any deviation from this may lead to expulsion from school.

Parent Conference – Parents will be notified on a disciplinary slip to call the appropriate administrator. It is the parent's responsibility to call by the end of the following school day.

Administrative Committee Hearing – The committee will be composed of FCS administrators. The committee may be called to hear and rule on matters that deal with the possibility of expelling students.

Attendance at FCS is a privilege and not a right. Students forfeit this privilege if they do not conform to the standards and ideals of work and life of FCS.

DRESS

At Florence Christian School, we strive for modesty, neatness, and wholesomeness in our dress code. We feel that the way a person dresses influences performance and self-concept. Our dress code reflects the high standards that we have for our students, and we believe that the benefits will be far reaching into their future. It is for these reasons that we refer to our dress code as "Dress for Success."

It is imperative that we have full parental support in the compliance and enforcement of our dress code. OFF-CAMPUS BEHAVIOR UNRELATED TO SCHOOL FUNCTIONS

Students (and their parents) should remember that what they do away from Florence Christian School makes an impact on what others think about our Lord Jesus Christ. It is not the intention of the school to monitor student conduct off campus unrelated to school functions. Parents are responsible for the training and discipline of their children during activities away from school property. FCS exists to help the parent in this responsibility. However, in order for FCS to be effective in this role, the parent must support the beliefs and policies outlined in this handbook. Therefore, if the school obtains knowledge of any unlawful act or any permissive acts involving tobacco, alcohol, drug abuse or promiscuity, the following actions will take place:

Phone call to parents.

Meeting with student and parents.

Counseling for the student will be made available, or in situations that could lead to addiction, attendance at Reformers Unanimous* will be recommended.

In the case of repeated accusations, an administrative hearing will be held.

The administration reserves the right to suspend or expel a student for his/her actions away from school if such actions reflect unfavorably upon the school and its mission.

RESTORATION PROCEDURE

In the event that a student is expelled from FCS or is withdrawn from FCS to avoid expulsion, he may apply for the following school year. In order to be considered for enrollment, the student must follow the procedures for enrollment that are listed previously in the handbook, and provide the following information:

A written explanation, from the student, stating why he or she should be considered and a letter of recommendation from the student's pastor or youth pastor.

However, please note that this does not guarantee the student's enrollment in FCS.

TARDINESS

Punctuality is a character issue. At FCS, we are seeking to instill punctuality in all of our students because it is a trait that they must adhere to for the rest of their lives. One individual's tardiness can disrupt countless students as well as the teachers who are attempting to conduct class. Parents are encouraged to assist in making sure that students are prompt in arriving to school.

Consequences for Tardiness:

Detention Hall will be served for each tardy after the third tardy of the nine weeks period.

NOTE: The administration has the right to take further action if the student has accumulated an excessive amount of tardies.

ACADEMIC INFORMATION

CURRICULUM AND PROMOTION

Elementary students must pass 3/4 of all subjects taken in order to be promoted to the next grade. This must include Math, Language, and Reading.

Students in grades 7 and 8 must pass English, Math, Science, History, and Bible to be promoted. Students in grades 9-10 must pass every subject to be sure that he/she can remain in their normal college preparatory schedule. If a student fails any subject, it must be made up in summer school. Administrative approval is necessary for any deviation from this policy due to possible scheduling conflicts, which may occur. (Note: Students must pass Bible each year to be promoted.)

Any student retained for the first time may return to FCS pending an opening in that grade. It is the responsibility of the student to remain in the promotional process in order to allow openings for the students that are moving up from the grade below. If there are not any openings, a student who is being retained will be placed on the waiting list.

Any student retained for the second year, regardless of the reason, may not return to FCS unless there are unusual circumstances approved by the school. We feel that it is important to keep the ages of the students no more than one year apart.
