 March 4 - Open enrollment to the public
 **Please contact the school office for new student enrollment applications.

SICKNESS

Parents we need your help. It is that time of year where we begin seeing a lot of different illnesses. In consideration of other students and our teachers, please do not send your child to school if they are running a temperature or they are not feeling well. Our school policy, as well as DHEC guidelines, states that children may not return to school until their fever, nausea, or vomiting has been gone **for a full 24 hours without medication.**
