Conflict Resolution

by Trevor Waybright

Conflict is something that we all deal with on a regular basis. It happens at school, work, home, driving, etc. How are we, as Christians, to behave when conflict does arise? How can we interject Jesus into the conversation and peace into the conflict? When Jesus was on a boat that was about to be capsized because of the wind and the waves (in ancient times the sea was a symbol of chaos), he calmed the sea with the power of his words. He simply said, "Peace be still" and the wind and the waves obeyed. Now, we have no way to use our words to literally calm the wind (when you've lived in Hermiston, OR I promise that you have given that a shot), but with Christ working through us we can use our words to bring stillness to the human conflict that surrounds us. Paul says in Romans 12:17-21, "Do not repay anyone evil for evil. Be careful to do what is right in the eyes of everyone. If it is possible, as far as it depends on you, live at peace with everyone. Do not take revenge, my dear friends, but leave room for God's wrath, for it is written: 'It is mine to avenge; I will repay,' says the

Lord. On the contrary: 'If your enemy is hungry, feed him; if he is thirsty, give him something to drink. In doing this, you will heap burning coals on his head.' Do not be overcome by evil, but overcome evil with good." When someone has treated you unfairly, we don't have to repay them for the unfairness. We have the opportunity to do something that is so much more effective than a moment of self-satisfaction at righting a perceived wrong. We can opt to not take vengeance, but instead to repay evil with good! That is the Jesus way! If your enemy has a need, don't use that as an opportunity to flex your retribution on them and really get them where it hurts. Use that as an opportunity to give them what they need. When we do that we show them Jesus, and their own evil actions become the very thing that makes them feel the weight of those actions ("In doing this, you will heap burning coals on his head"). Let's use the conflict around us as an opportunity to live out the Gospel of Jesus.

missions

We, at Foundry Church, put great emphasis on missions and outreach. We seek to fulfill our Commission in Matthew 28:18-20 & Acts 1:8 by dividing our attention into two primary areas: Global Missions and Local Missions. Our Global Missions outreach deals solely with our international and long-distance programs. While our Local Missions group focuses entirely on Bend, Oregon. It generally supports programs that feed, shelter, and counsel those in our local community. Our Missions are funded through both budgeted giving as well as Faith Promise giving.

What is Faith Promise Giving?

Faith Promise giving is giving above and beyond the tithe specifically to support missions work. It is an expression of our faith that God will supply our needs when we honor Him. It is not a pledge but a promise between you and God.

How Do I Give My Faith Promise Offering?

We encourage you to use an offering envelope and mark your gift "Faith Promise Local" or "Faith Promise Global". If you do not designate global or local, your offering will be divided equally between the two mission focuses.

How Will Faith Promise Offerings be Used?

Money will be used to supplement the support of our existing missionaries and ministries that are under-supported. Money will also support additional missionaries or projects as the mission committees deem appropriate.

How Can I Get Involved In Promoting Missions?

Each missions group is coordinated and overseen by its own committee of called and passionate volunteers. If you are interested in joining one

of our mission teams, please contact Bill Sager (Global Missions) or Steve Toomey (Local Missions).

Who Are our Current Missions/ Ministries?

Local Missions:

Child Evangelism Fellowship
Fellowship of Christian Athletes
Shepherd's House
Shepherd's House Women's Center
Family Kitchen
Public Service Chaplaincy of C.O.
Community Shower Truck
Pregnancy Resources
Teen Challenge

Global Missions:

The Foundry App

We've got some exciting news for you! In the next couple of weeks, we will be debuting Foundry's new app for smart phones and tablets. It will be available for both Apple and Android devices. In the app, you'll be able to find the latest news, events, sermon recordings, and communications

from Foundry Church. You'll have easier access to the information that you're looking for and will be able to choose which areas of church ministry you want to receive notifications from. Signing up for an event will be a breeze, and you'll be able to contact event coordinators or add dates to your personal

calendar with a simple tap.

Our hope in putting this app together is that it will enhance our ability to communicate with each other and spread information to the entire church body.

children & youth

kidztown

by Jesse Flury

At Easter we started a new segment in our journey through the Bible. We had finished talking about the life of Jesus and dove straight into the book of Acts and the early church. To be honest I wasn't sure how it would go. With kids so often we tell the stories of the Bible. Noah, Abraham, Jesus are all great for a kids lesson. The Epistles? Not so much. There is no story, just concepts, and it can be harder to teach and understand. But our amazing group of teachers have been doing an outstanding job of making it not only understandable but applicable. It's been awesome seeing them learn about how the church started and spread, and what God did in the lives of believers. I'm excited we get to continue on through the summer this year.

Also, don't forget if you have a 3rd-5th grade child and are interested in a summer camp option with Ochoco Christian Conference Center let me know. I'd be happy to share more info with you.

Last month at Manland we spent the weekend talking about our stories, and the power they have. Stories are what help shape our identity as we grow. Hearing stories of what God has done and how he has shaped others help us grow as well. Nowhere is this more true than with youth. They are just beginning to shape their identity. Hearing and seeing the difference Jesus has made in adults around them plays a big part in this. But we can only share stories when we spend time together. This summer we have a great opportunity to do this, and it is something everyone can be apart of.

Rather than one big retreat or trip this summer we are focusing on offering lots of different smaller opportunities. This way people can plug in when their schedule allows, and if they can't make it to one thing they don't miss out on everything for the summer. We have a calendar with lots of different opportunities on it, and I'd love to have some more people sign up to help with those. You can see some of the highlights below. But we also intentionally left some space in the calendar to leave room for everyone to get

involved. So I'm asking, what do you like to do? How do you "play"? And would you be willing to find a day this summer and take a few students along with you? It can be as big as leading a hike or boat trip or as small as meeting for coffee, or organizing a crafting afternoon. The sky is the limit.

This is bigger than just having lots of activities though. Activities are fun, but there is even more value in the time spent together, and in having space to share our stories. So, would you consider trying something with us? Pick a date, let me know what you want to do, and then I'll be with you the whole way to help pull it together and make it a great experience. Not sure where to start? Give me a call or send me an email and we can work on it together, 804-441-2272 or jesse@foundrybend.org

Upcoming Summer Events:

June 17 Range Day - Pistol/rifle/skeet shooting, Sign up with Jesse so we can plan for equipment and get forms signed.

June 20 Eats and Experiences, bring a bag lunch and plan for a hike.

June 26/27 Service Opportunity with Backdoor Cafe, contact Jesse for details.

June 29 Lunch and MTN Bike Ride
July 19 Whitewater Rafting Trip

August 22 Float Trip to Starling's
*Watch for more dates and activities as we move into Summer!

health

by Sally Rhyner

OBSERVANCE OF STROKE MONTH: As May is stroke month and in keeping with our emphasis on cardiovascular health, Foundry Health Ministry is conducting a family blood pressure screening. Come as a family to our office off the Gathering Place on Sunday, June 3. Screenings will be held at 8:45, 9:45-1015, and 11:15 (after church service). Though 80% of strokes are preventable, there is an increasing incidence of strokes, especially in the younger population. Hypertension can lead to a stroke and anyone of any age can experience a stroke. Blood pressure in adults is elevated if over 120/80 as well as children 13 and older. BP values requiring further evaluation for children under 13 are lower than for adults and are somewhat lower for each year under 13. Everyone should be aware

of their blood pressure numbers and The American Academy of Pediatrics recommends annual blood pressure screening for children age 3 and older. Elevated BP in childhood increases the risk for metabolic syndrome and HTN(hypertension) as adults. Children with HTN are likely to have accelerated vascular aging which preclude cardiovascular disease as adults. To access the new pediatric hypertension guidelines go to www.aappublication.org/news/2017/08/21/BloodPressure082/17

Find a list of other stroke risk factors and assess your own stroke risk by using the Stroke Risk Scorecard found at www.stroke.org/stroke-resources/resource-library/stroke-risk-scorecard.

WHAT IF MY BLOOD PRESSURE READING IS ELEVATED? One elevated reading is not diagnostic of HTN and only your healthcare provider should diagnose this condition. An elevated BP reading could be the result of physical or emotional stress, tobacco use

or the intake of caffeine or certain medications prior to screening. Also, be sure you are relaxed with feet flat on the floor, arm at heart level, refrain from smoking, exercise, alcohol, and caffeinated beverages 30 minutes before measurement. Recheck the BP after 1-2 minutes. If it is still elevated, rechecks are recommended on subsequent days. However, if readings are significantly high(greater than 180/120), consult your healthcare provider immediately. The first line of treatment for HTN is healthy lifestyle changes such as diet, exercise, weight loss, smoking cessation, and stress reduction.

BP RESULTS FOR MAY: Sixteen screenings resulted in 4 female and 4 male elevations. Please recheck your BP soon. Contact Bobbie or Sally if we can help.

BABY BLANKETS: Health Ministry is in need of baby blankets for our new babies. If you knit or crochet and would like to help, contact Bobbie at 541-312-8039. Colors suitable for either boy or girl are preferred.

property update

We are pleased to announce the completion of the worship center re-roofing project. This has been a long time coming and now we are good for 20+ years. Thanks to your more than generous giving we are able to take on big projects like this. We have one more section above the kitchen and classrooms upstairs that needs to be done. Look for that to happen

sometime in the next couple of years. The property committee has several upcoming projects we are looking at so stay tuned for updates.
