**DAVIS CENTER NEWS**

It is Angel Tree time again…our annual effort to replace and refresh well-loved items in our classrooms and on our playgrounds. Our teachers and directors are preparing this year’s wish lists, so soon you will see the tree outside the sanctuary door leading to the education building. If you would like to participate in this Davis Center activity simply “shop” the angels on the tree. Each angel will have an item description and price. Remove the angel(s) of your choice and write your name on the back attaching a check for the total made out to FCPC (memo Davis Center). Place it either in the offering or Tammy’s mailbox.

You may notice some new items on this year’s tree. For example, Good News Kids, our 5 year old pre-k class, is hoping to purchase two Tablets or Kindles as we continue to enhance our kindergarten readiness goals. We also hope to purchase one or two large durable planters and container trees for the playground used by the older children for some science applications and maybe even a little bit of shade!

We are ever so grateful for the congregation’s generosity year after year. Thank you for your support.

The flannel floozies started sewing in September and have enjoyed a busy fall. We made 25 sweatshirt hoodies which were given to the Fountain City Ministry Center to distribute, 24 pillowcase dresses, and 24 pairs of shorts for Belize which will be delivered in January. We have completed 30 exam gowns for The Children’s Help Center.

The group, which averages 12 to 15 per week, have also started on Grandma's Pajamas. The Ministry Center is seeing a record number of clients per week so we are going to need more pajamas than in the past few years. Last week we made 26 pairs of pajama pants which will be matched with long sleeve t-shirts and sent to the center. We are in need of funds to buy the flannel, elastic, thread and t-shirts. We would appreciate any contributions to help us carry out this project. We have been able to buy most of our supplies at a discounted price. If you choose, you may send a check to the church and designate it for Grandma’s pajamas or if you wish to buy supplies you may leave them in the Good News Classroom and mark them for Grandma’s Pajamas.

The group would welcome anyone who would enjoy sewing, cutting fabric, inserting elastic, pressing or visiting with other ladies. If you have any questions get in touch with Pat Wyrick or Joan Biddle.

The Volunteer Ministry Center will present A Sister’s Call, an award-winning documentary which chronicles a sister’s mission to bring her brother back from the depths of homelessness and schizophrenia. The film will be shown on Sunday, November 24th at 1:30pm at St. John’s Lutheran Church, 544 N. Broadway, Knoxville, 37917. Admission is free and open to the public. Following the video, Dr. Roger Nooe, Professor Emeritus from the UT College of Social Work, will lead a discussion. Members of the brother’s family from Atlanta and Knoxville will be in attendance.
