childhood is a journey, not a race.

One of the many factors in determining enrollment is the position of a child's name on the waiting list based on the date the Director receives the waiting list application and the \$10 non-refundable registration fee to place a child's name on the waiting list. We encourage you to submit this form along with the \$10.00 Application Fee as soon as possible. Placement on the waiting list does not guarantee that there will be an opening for the child. Enrollment in Fremont Nursery School is left up to the discretion of the Director.
