## CHURCH LIFE

### COMMUNITY SERVICES THANKS YOU!

We had 25 helpers at our Food Pantry monthly distribution yesterday! Thank you so much for responding to our need for additional volunteers. A great big thank you to Jim Robison for joining our food distribution team, the teenagers and the kids who helped, and our faithful band of regular volunteers. You make all the difference in serving our community.

If you would like to donate any items to Community Services, these are the items we currently need: two refrigerators ◊ two dining tables with chairs ◊ one queen or king bed frame with mattresses ◊ four twin mattress sets (we have adults and children sleeping on the floor we'd like to help) ◊ wire hangers.

### CONGRATULATIONS JANNINE FITZGERALD

We want to congratulate Jannine and Firehouse Cookies & Pastries for launching a partnership with Ooh De Lolli Take Away Cafe. The cafe just opened on July 11 and Jannine provides most of the baked goods on the menu. Jannine has two great helpers in Aidan and Connor and we are proud of all of them. We pray for the success of these daring and creative entrepreneurs. To read the article in the Fresno Bee, log on to [www.fresnobee.com](http://www.fresnobee.com) or find it in the "living & entertainment" section of the July 21 edition of the newspaper. ### ACHSAH IS HOME, TOO

Both twins are home. Little Achsah went home on Monday and she is already giving her brother grief. Looks like she wants to snuggle and Asher just wants his space. Either way, Tim and Taneshia are glad to have both their babies home. We praise God for this blessing!

## HEALTHY BYTES

Yesterday I was encouraging my mom to purchase raw sugar instead of processed white sugar. She asked the question: "Does it really make that much difference at my age?" Good question. I had to think about that. If you have

made it to 80, do you really need to follow ALL those "rules" of healthy eating? Or have you earned a "pass"?

Lets look at this: If what you are eating makes you feel bad, then it has diminished the quality of your life - at any age. Healthy living is important at all ages. Being able to enjoy good health into your 80s and 90s is a gift you have given yourself with a healthy lifestyle. Changing the little things like sugar will make a difference in how you feel and increase the quality of your life now. So Mom, yes, it does make a difference! If there is something unhealthy that you enjoy, and the enjoyment outweighs the ill effects, than by all means – ENJOY! (once in a while).

For more information on healthy solutions and recipes, contact Gale Bolinger at [gale4health@yahoo.com](mailto:gale4health@yahoo.com) or visit my blog at <http://gale4health.blogspot.com.au> I would like to remind you that these "Healthy Bytes" are my own suggestions and not medical advice. I get my references from many practical sources. Please read them with this in mind.

**THE LAST WORD**

When I was five years old, my mother always told me that happiness was the key to life. When I went to school, they asked me what I wanted to be when I grew up. I wrote down 'happy'. They told me I didn't understand the assignment... they didn't understand life. – *John Lennon*
